### EXECUTIVE SUMMARY

Cyclone Jasper impacted the Douglas Shire Council region on 13 December 2023, followed by a significant rain event (the “Cyclone Jasper Disaster Event”). The disaster event has resulted in a large amount of damage to the Douglas Shire assets and resultant expenditure for repairs, which is outside the current adopted budget for the year ended 30 June 2024.

This report seeks to obtain retrospective approval of expenditure incurred by Council to 30 April 2024.

### BACKGROUND

The final economic impact of the Cyclone Jasper Disaster Event on the Operating Result for 30 June 2024 is yet to be determined.

The spending incurred to date is being presented to Council for retrospective approval in accordance with Council’s Procurement Policy and s235c of the *Local Government Regulation 2012*, as the emergency spend is outside the approved budget for year ended 30 June 2024.

Council officers are working on funding applications under Queensland’s Disaster Relief Funding Arrangements (DRFA) administered by the Queensland Reconstruction Authority (QRA).

QRA has provided Douglas Shire Council with a funding advance to ensure cashflow is maintained throughout the disaster recovery process.

## PROPOSAL

That Council

1. In accordance with s235(c) *Local Government Regulation 2012*, retrospectively approve \$18,519,184.91 expenditure incurred to date, in relation to the Cyclone Jasper Disaster Event.
2. Council to note the funding advance received to date from Queensland Reconstruction Authority.

## FINANCIAL/RESOURCE IMPLICATIONS

As discussed above, the Cyclone Jasper disaster event occurred and has resulted in a large amount of damage to Douglas Shire assets and resultant expenditure for counter-disaster operations and emergency repairs and remediation, which is outside the current adopted budget for the year ended 30 June 2024.

The final economic impact on the Operating Result for 30 June 2024 is yet to be determined. This analysis will include proposed financial relief measures, the impact on revenue and expenditure, costs of repair and recovery and the outcome of any funding applications.

Council officers are working on funding applications under the Disaster Relief Funding Arrangements (DRFA). The DRFA funds are administered by Queensland Reconstruction Authority (QRA). QRA has provided Douglas Shire Council with several funding advances, totalling \$25.8m to ensure cashflow is maintained throughout the disaster recovery process.

In accordance with s204 of the *Local Government Regulation 2012*, monthly financial reports which record the progress against the budget will be presented to Council. These reports will include expenditure incurred as a result of the Cyclone Jasper Disaster Event and any funding received by Council.

## RISK MANAGEMENT IMPLICATIONS

There is significant risk if funding is not approved it will either slow down or halt the recovery process after ex-TC Jasper.

## SUSTAINABILITY IMPLICATIONS

- Economic:** The Cyclone Jasper Disaster Event may have a negative impact on the economic sustainability of Douglas Shire Council and may impact sustainability ratios. This will be closely managed by Council and mitigated where possible.
- Environmental:** Nil impact from the approvals in this report as works have already occurred.
- Social:** Nil impact from the approvals in this report as works have already occurred.

## CORPORATE/OPERATIONAL PLAN, POLICY REFERENCE

This report has been prepared in accordance with the following:

### Corporate Plan 2019-2024 Initiatives:

#### Theme 5 - Robust Governance and Efficient Service Delivery

Strong governance and financial management are the foundations of the way in which Council will conduct its business and implement the initiatives of the Corporate Plan.

**Goal 1** - *We will conduct Council business in an open and transparent manner with strong oversight and open reporting.*

**Goal 3** - *We will make sound financial decisions by ensuring robust strategic planning, financial management and reporting.*

**Goal 4** - *We will work with our communities to ensure they are informed, empowered and supported so that they are resilient to the impacts of disaster events. Through our leadership and capabilities we will plan, prepare, respond and recover from events so as to minimise the impact on people, property, the environment, and our economic stability.*

### Operational Plan 2023-2024 Actions:

New project arisen during the financial year.

## COUNCIL'S ROLE

Council can play a number of different roles in certain circumstances and it is important to be clear about which role is appropriate for a specific purpose or circumstance. The implementation of actions will be a collective effort and Council's involvement will vary from information only through to full responsibility for delivery.

The following areas outline where Council has a clear responsibility to act:

<b>Advocate</b>	Council makes representation on behalf of the community on important issues, funding opportunities, projects and programs. Council will use its influence to seek the best outcomes for the community.
<b>Regulator</b>	Council has a number of statutory obligations detailed in numerous regulations and legislative Acts. Council also makes local laws to ensure that the Shire is well governed. In fulfilling its role as regulator, Council will utilise an outcomes based approach that balances the needs of the community with social and natural justice.
<b>Service Provider</b>	Council provides many services to the community from roads and waste services to libraries and recreational facilities. Services evolve over time and it is the Council's mission to ensure that these services are appropriate, delivered efficiently, and designed with the customer at the centre.
