INSTALLATION DETAILS OR DESCRIPTION OF PLAQUE / PLAQUE AND PLINTH

Plaques

- An inscription layout and dimensions of the plaque must be attached to this form for Council approval.
- The plaque is to be delivered to the Council administration building for installation.
- Plaque maximum dimensions for:
Memorial Garden: 230mm (L) x 140mm (W)
Port Douglas Cemetery Southern Beam Section and Mossman Lawn Plaque Section: 380mm (W) x 220mm (H)
- The standard plaque plinth is a flat rectangular concrete slab measuring approx 540mm (W) x 370mm (H) onto which the plaque is affixed. Available in Port Douglas Cemetery all lawn areas and Mossman Cemetery Monumental Section only. Larger plinths will incur additional costs. Raised plinths must be constructed by suitably qualified and insured tradespeople.
- Plaque costs are additional to interment fees. Council staff will affix plaques in designated plaque sections.
- Please note Council prefers the use of bronze plaques in the beam sections of its cemeteries to ensure uniform presentation, longevity and damage prevention, as well as for safety reasons.

***Please note: all headstones, plaques, vaults and other memorials are the responsibility of the deceased's family/next of kin to arrange.**
