

INVITATION FOR EXPRESSIONS OF INTEREST

DOUGLAS SAFE PLACES – FAMILY AND DOMESTIC VIOLENCE CRISIS ACCOMMODATION SERVICE DELIVERY

Douglas Shire Council invites expressions of interest from community and/or domestic and family violence service providers interested in managing Douglas Safe Places on an ongoing basis.

The program aims to assist women and their children to maintain connection to their community, transition to safe and secure housing, and to re-establish a life free from harm through the provision of supported crisis accommodation.

The service provider will be responsible for the appointment of a case manager(s) and overseeing the program delivery.

All respondents wishing to lodge their interest in supplying services must meet mandatory criteria and provide all requested information, as contained within the Douglas Safe Places Briefing Document and Expression of Interest Application Form.
