The information you provide in your application will only be used by authorised Council Officers, including Human Resources and the relevant selection panel members. Your information will not be given to any other person or agency unless you have given us permission or we are required by law.*

## Application Process

The following information will detail the application process and provide you with the information on “how to apply”.

In most cases, you no longer have to address each individual selection criteria in writing. Instead, you are asked to tailor your application to address three main elements in a covering letter and provide your resume. Please keep the covering letter brief (from two to three pages). Unless specifically requested, there is no need to write individual responses to the Selection Criteria in the Position Description.

## What is required?

Using the streamlined process for short listing means your application will be assessed against the three main elements:

- i. **Qualifications**
- ii. **Knowledge, Skills and Expertise**
- iii. **People Oriented Skills and Attributes**

When preparing your application, read through the **Key Duties and Responsibilities and Selection Criteria** within the Position Description and organise your information under the three headings to create your covering letter. You can use the Selection Criteria to help you identify how your knowledge, skills, experience, personal attributes and qualifications are most relevant to the position.

### **Qualifications**

Include details of and where you attained any education, training, qualifications, tickets and licences including those you are working towards.

### **Knowledge, Skills and Expertise**

Identify relevant knowledge, skills and work experience as it relates to this role. Your response might provide examples that give details of the nature and extent of your experience, skills, responsibilities and any notable accomplishments or achievements.

### **People Oriented Skills and Attributes**

These are personal characteristics you possess that would make you successful in this role. For example if you are articulate and a good listener and the role requires you to provide excellent communication skills you need to demonstrate situations where you have exhibited this and how it will be of benefit to the role.

The chairperson of the selection panel may contact you for further clarification of your application during the short listing process.

## Addressing the three main elements

When addressing the three main elements you should ensure that your responses are relevant to the position. Using bullet points with examples is a simple approach to demonstrate how you meet the requirements of the position. When using examples try keeping to the following STAR principles:

**Situation** - What was the situation? Start by providing an example of where and when you carried out a specific task, used a required skill or demonstrated the particular knowledge.

**Task** - What were the tasks involved? Write about what your role was and what you did or were responsible for such as the tasks or duties you undertook that demonstrate your skills, knowledge or ability.

**Action** - What actions did you take to achieve the tasks? What skills, knowledge or ability did you use, what did you do and how did you do it?

**Result** - What resulted from the actions you took? What did you achieve and what were the results of what you did?
