When preparing your application, read through the Key Duties and Responsibilities and Selection Criteria within the Position Description and organise your information under the three headings to create your covering letter. The chairperson of the selection panel may contact you for further clarification of your application during the short-listing process.

Addressing the three main elements

When addressing the three main elements you should ensure that your responses are relevant to the position. Using bullet points with examples is a simple approach to demonstrate how you meet the requirements of the position. When using examples try keeping to the following STAR principles:

Situation - What was the situation? Start by providing an example of where and when you carried out a specific task, used a required skill or demonstrated the particular knowledge.

Task - What were the tasks involved? Write about what your role was and what you did or were responsible for such as the tasks or duties you undertook that demonstrate your skills, knowledge or ability.
