

Dear Neighbour,

You may not be aware that your dog/s is currently causing a noise nuisance in the neighbourhood by barking excessively.

Rather than contacting the Council and lodging a complaint I thought I would let you know as courtesy to rectify the situation.

The Council has some great dog information on their website www.douglas.qld.gov.au

Date	Barking start time	Barking stop time	What is your dog barking at?

Your co-operation is appreciated and very much hoping we can restore the serenity of our neighbourhood.

Regards

Your neighbour _____ at _____
