

Alexandra Range

- Four sites 4, 8a, 10 & 11 are almost complete – just awaiting installation of guide railing.
- Council did an inspection last week to make sure all construction sites were tidy and ready for adverse weather during the shutdown period.

Noah Range Landslip

- HEH has completed installation of the second layer of shipping containers.
- The contractor has done a good amount of work descaling and getting rid of some of the larger debris on the site.
- HEH will have 18,000 litres of fuel stored on the north side of the landslip for the shutdown period.
- They will also have staff located on the north side.
- If there is a big weather event, repair crews can go at it from both sides to open the road quickly.
- The radar will remain operating, to provide forewarning of any slips on the site.

Routine Inspections

- These will be done on both ranges following rainfall measuring over 200mm within a 24-hour period.
- Staff are on call over the Christmas / New Year period to communicate any road closure information or changes to ferry services.

Noah Creek Bypass

- The heavy vehicle bypass was repaired and reopened Friday 13 December.
- It has since closed and remains closed until further advice.

Daintree Ferry Christmas Day

Ferry services will operate as normal from 5am to midnight on 25 December 2024.
