    - a. The service, facility or activity for which the plan is made is the ongoing provision and maintenance of rural firefighting equipment for, and the operations of, the Daintree Rural Fire Brigade.**
    - b. The rateable land to which the plan applies is delineated in orange on the map named Daintree Rural Fire Brigade.**

  - 2. All rateable land (or its occupier) within the area delineated in orange on the map named Daintree Rural Fire Brigade specially benefits from the service, facility or activity funded by the special charge because each such parcel is within the area for which the brigade is in charge of firefighting and fire prevention under the *Fire Services Act 1990*. Further, the fire emergency response capability that is provided by the brigade would be substantially diminished if it did not receive the funding provided by Council as a direct consequence of the levying of the special charge.**
  - 3. The special charge for 2026/27 is to be levied by two (2) half year levies.**
  - 4. In accordance with requirements, all Rural Fire Levy revenue will be remitted to the Queensland Fire Department to be held on behalf of relevant Rural Fire Brigades.**
