PETITION – PROPOSED INTENSIVE ANIMAL HUSBANDRY (KENNEL) AT KYLIES ROAD MIALLO

Darryl Crees: General Manager Corporate Services#461343

**RECOMMENDATION:**

**That Council resolves that the petition be received.**

---

**COMMENT:**

A petition has been received by the Chief Executive Officer regarding the proposed relocation of an Intensive Animal Husbandry (kennel) to Kylies Road Miallo.

**PROPOSAL:**

In accordance with clause 8.3 of the Standing Orders for Council Meetings, this petition is presented to Council to formally acknowledge receipt. The Principal Petitioner will be responded to accordingly.

**ATTACHMENT:**

Copy of petition received.

The Petition of residents and property owners near and adjacent to the proposed Intensive Animal Husbandry (Kennel) at Kyles Road Miallo

We wish to petition the Councillors not to support the proposed relocation of an Intensive Animal Husbandry (Kennel) to a site adjacent to our homes and properties at Kyles Road Miallo, on the former Sanitary Reserve.

This proposal has come out in the press without any consultation and if the kennel were to go ahead it would significantly affect the quiet enjoyment of our properties.

If the applicants could not meet the noise control condition at Killaloe clearly they will not be able to meet it at the new proposed site.

There are 9 properties with 3 houses on them within 650 metres of the site. These properties are small in size and are Rural Residential in Character. The proposed site is less than 2000metres from Residential 1 properties and therefore falls well short of the 5000metres separation distance required by the Agriculture and Intensive Animal Husbandry Code
