### **RECOMMENDATION**

**That Council:**

- 1. Receives and notes the Milman Drive Playground Six Month Post Installation Survey Findings Report, presented to Councillor Workshop on the 16 March 2021; and**
- 2. Resolves to retain the Milman Drive Playground in situ with no further significant changes.**

---

### **EXECUTIVE SUMMARY**

Installation of the playground at 49 Milman Drive, Craiglie was completed in June 2020, and in accordance with Council Resolution, a six month post installation review has been completed to understand the local sentiment towards the new playground.

These findings, including both positive and negative community experiences, were presented to the Councillor Workshop on 16 March 2021. To preserve the privacy of all survey respondents, these findings will not be made public.

The survey has highlighted some minor maintenance, landscaping and infrastructure improvements that could easily be made to the park area including installation of bench seating and planting of additional shade and screening landscaping. Other more significant improvements, such as installation of a shade sail would need to be reviewed, if this is an outcome Council desires.

### **BACKGROUND**

The proposal to install a playground on Council owned land at 49 Milman Drive, Craiglie was originally generated by two petitions, the first in July 2017, and the second in January 2018. Under the 2019/20 Parks Renewal Program, Officers selected a number of playgrounds across the Shire for renewal based on an independent condition assessment, and realised an opportunity to install a new playground at 49 Milman Drive, Craiglie. Following the award of the playground supply and install contract, there was a media release in relation to the playground project, and a letter drop specifically within the locality of Milman Drive, Craiglie.

This prompted a petition opposing the location of the playground at 49 Milman Drive, Craiglie. The petition included 11 signatures and was tabled at the Ordinary Meeting of Council held on the 10 March 2020. Subsequently, Council received 39 emails from residents reaffirming support for the proposed playground at 49 Milman Drive, Craiglie. Around the same time, there was a front page article in the Port Douglas and Mossman Gazette reporting on the residents in favour of the playground.

At Council Ordinary Meeting on the 26 May 2020, the following resolution was carried unanimously:

*“That Council resolves:*

- 1. to proceed with the installation of the playground at 49 Milman Drive, Craiglie and work with the concerned residents to ensure any impacts on amenity are minimised;*
- 2. for Council staff to prepare a report for Councillors six months after the installation of the playground which is to be brought back to a council meeting to advise if the concerns of the opposition petitioners has come to fruition, and if creating adverse detriment to the surrounding neighbours recommendations of how and where to relocate the playground to; and*
- 3. to notify the head petitioners of the Council resolution.”*

## **COMMENT**

A local survey of the estate has been completed with a letter drop of 70+ pamphlets.

The survey found that 96% of respondents had a positive response and 4% of respondents had a negative response towards the playground.

The positive and negative survey findings have been presented in the Councillor Workshop on the 16 March 2021 and to preserve the privacy of all survey respondents these findings will not be made public.

Officers recommend that the Milman Drive Playground is retained in situ with no further significant changes to this facility.

## **FINANCIAL/RESOURCE IMPLICATIONS**

Officers identify the following implications:

1. If Council resolve to remove or relocate the playground this would incur an unknown and unbudgeted cost to Council; and
2. If Council resolve to undertake any other improvements to the playground in situ this would incur an unknown and unbudgeted cost to Council.
