NOTICE OF MOTION – CR CLARKE – PROVISION OF POWER NORTH OF THE DAINTREE RIVER

NOTICE OF MOTION

I hereby give Notice of my intention to move the following motion at Council's Ordinary Meeting to be held on Tuesday 16 June 2015:-

“That Council as an advocate for Provision of Power north of the Daintree River, send a letter to the current State Premier, requesting that this issue be followed up as a continuation of negotiations held with the previous State Government”

BACKGROUND

This issue was at the stage where \$150,000.00 was allocated to get two independent quotes (excluding Ergon) for the construction of infrastructure for the Provision of power north of the Daintree River. A similar letter was sent in November 2014 to the then Premier by Mayor Julia Leu regarding this issue. It is my opinion that we should continue to advocate for this problem to be addressed.

CEO'S COMMENT:

Officers have no comment to make regarding this Notice of Motion as it does not concern an operational matter. The decision to advocate for the supply of power north of the river is wholly a policy issue for Council.
