To whom it may concern,

Please find attached 3 pages of signatures of local residents standing against the proposed change of licence for the venue at the Mossman Showgrounds.

Given the ongoing situation, with regular disturbances (by disturbances we mean - screaming, fighting, reckless driving, and generally putting our neighbourhood on edge and frightening young and old people), all problems which the police are aware of and unable to maintain or stop (due to minimum staffing and through no fault of their own), we are certain that this proposed change would drastically tip this already barely tolerable situation to becoming entirely intolerable.

We are taking a stand as a community and asking for your support.

Please forward this email to the relevant person at the Douglas Shire and inform us on any further step that can or should be taken to ensure safety and peace on our streets.

Kind Regards,

The concerned citizens of Mossman (via Udo Soltwedel)

We, the citizens of Jack, Grogan and Front street in Mossman 4873 QLD are very concerned about recent discussions to open the Shark's Clubhouse at the Mossman Showgrounds as a regular venue on Friday, Saturday and Sunday. There are already regular disturbances in our streets during the nights, with extreme noise levels (yelling, fighting, screaming, cars squealing) - unfortunately the police are already unable to maintain the existing problem. Our concern is that opening the clubhouse for regular use would make the amount of traffic, noise and disturbances unbearable for the residents in the area.
