SUBMITTED BY: COUNCILLOR MELCHERT

SUBJECT: WATER CHARGES RSL MOSSMAN

ATTACHMENT: NOTICE OF MOTION

CHIEF EXECUTIVE OFFICER COMMENT:

Enquiries or requests regarding water consumption on rateable assessments are procedural matters and these transactions are processed through the Rates Section of Council. Accordingly this matter has been referred to staff to respond to this request.

NOTICE OF MOTION**Water Charges RSL Mossman**

I hereby give notice of my intention to move the following motion at the Council Meeting scheduled for Tuesday 13th May 2014 :-

"that the Council note that due to an undetected water leak the Mossman RSL has received an extraordinary water account of \$1395.48 for the period ending 24th March 2014 ,and Council having regard to work undertaken by the group in supporting returned services personnel, and the facts and circumstances involved, Council waive the fee"

Background

As Councillors are aware the RSL in Mossman and across Australia does exceptional work in supporting service personnel.

In Mossman the RSL has a Recreation Hall and a number of "diggers" huts to accommodate ex-service personnel.

During recent heavy rain the property in Mossman, as with many in the area, had areas of ponded water. When the area dried out a little the Management Committee noted an area of extraordinary moisture and a plumber located and repaired a water leak.

The leak caused water consumption well above the norm for the property.
