General Info: The Port Douglas Community Hall has a variety of rooms which are all mobility accessible and available for hire depending on what the function is and the number of people expected to attend.

Full Auditorium – **Diane Cilento Auditorium** – 340m² – 450 people theatre style

Front Auditorium – **Hazel Douglas Room** – 181m²

Back Auditorium – **Marj Norris Room** - 159m²

The **Auditorium** (340m²) can be divided into 2 rooms. It is suitable for private and public forums, gala events, wedding receptions, and corporate events. It has a capacity to seat 450 theatre style or 250 dinning style. The room is air-conditioned and also has ceiling fans. There are 4 computer/data points, specialised lighting and sound equipment, pre-organising and notice is required to utilise these facilities. The front section (Hazel Douglas Room) of the Auditorium has a large automated projection screen mounted on the wall.

Front Pre-function area - another important aspect to the facility is an undercover deck area ideal for pre-function activities area (80m²). The space has ceiling fans and recessed lighting.

The **outdoor rear deck** has a combination of undercover, shaded and open deck area with a servery to the kitchen/bar area. There are ceiling fans, spotlights and recessed lighting.

Tables and chairs are located in the large **storeroom**. There are approximately 20 rectangular tables (1600 x750) and 15 round overlays (1800 diameter – seat 10 people); and 200 chairs.

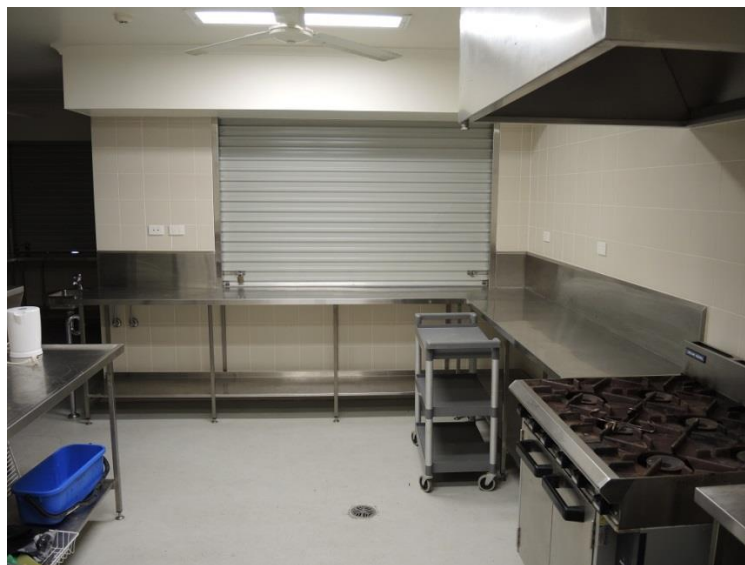

Car Park: For people with mobility issues an uncovered accessible car park bay is available in public car park (entry to car park via Mowbray Street). A covered drop-off point and ramped pathway to the hall is located in this car park. A smaller car park is located at the rear of the hall (entry to car park via Mudlo Street) with an uncovered ramp into the rear of the hall. Another ramp is located at the front of the building should users park on Mowbray Street.

Hall Facilities: The hall facilities are level throughout with surface tactiling installed for people who are blind or have vision impairment.

Kitchen/Bar: The kitchen/ bar has a commercial grade kitchen, stainless steel benches, commercial gas oven and burners, glass washer, dishwasher, cold room, ceiling fans and two serveries to the external rear deck area. A great area for pre-dinner drinks and canapés for catered functions.

Sanitary Facilities: As well as men's and women's toilet there is an accessible toilet with hand rails and a shower with no step available. A shower chair/seat is not available
