GENERAL NOTES							
<i>The cost of external consultant's fees for any further assessment or advice required by the assessment manager in consideration of any application or submission and/or technical report may be charged to the applicant. The applicant will be notified of Council's intention to refer the application to a consultant following receipt of a response to an information request (or earlier). If Council elects to recover the consultant's costs, the consultant's costs must be paid prior to the final determination of the application.</i>							
<i>Applications involving inconsistent uses in the respective zones shall be accompanied by the fee prescribed in the fee schedule, plus and additional 50% of that prescribed fee.</i>							
<i>Where a fee is calculated on area (e.g. Industrial uses), the fee is calculated on Gross Floor Area (GFA) as defined in the planning scheme. If GFA, is not relevant (e.g. some outdoor entertainment uses), the area will be calculated by the use area containing activities integral to the development. The use area can include unenclosed structures, decks, outdoor storage/stockpiling areas, ancillary outdoor areas used by the development (e.g. outdoor play area for a child care centre) and footpath dining. Use area does not include landscape or car parking areas, unless the car parking area is a Parking station.</i>
