 We the undersigned support the application of an extension of the Mossman Skate Park for benefit of our youth in the area and the reasons stated.

Dear Douglas Shire Council and Chamber of Commerce, we submit this petition in support of the renovation and extension of the current Mossman Skate Park.

We would really appreciate a larger area dedicated to riders that includes areas dedicated and designed for street, as well as park with a larger area and variety of ramps as well as a bowl.

We attach photos and plans for your consideration and would appreciate a working party being developed that includes riders as well as those in appropriate services to make this happen.

Thanking you in anticipation,

Riders in the area of Douglas Shire.
