| <b>Regular Bookings</b><br>"Regular" refers to ongoing bookings by one organisation, not one-off events.<br>Council does not allow permanent bookings of its venues and facilities. Instead, regular bookings are used to keep spaces available for one-off events and broader community use.<br>By applying for a regular booking, you acknowledge that your booking may need to be cancelled or rescheduled to accommodate major events. Any changes will be made at a Manager’s discretion. Council will provide as much notice as possible and ensure regular users are not financially disadvantaged.                                                |                  |                            |     |                   |                       |                   |                           |  |  |       |                |                           |             |                  |                  |                             |                  |                  |                    |                  |                  |                     |                  |                  |

Additional fees may be applicable.                                                                                                                                                                                                                                                            |             |                            |                  |                   |                       |                   |
| For park management purposes, Rex Smeal Park must be booked as a daily booking. Bookings of less duration may be considered on a case-by-case basis and may be accepted on the understanding that bookings of this nature may be required to cancel, reschedule or move to an alternative location. If the activity is an event, other than a wedding ceremony, the application form LL20 - Application to Conduct a Temporary Entertainment Event or Large Private or Corporate Event must be completed. |             |                            |                  |                   |                       |                   |
