**Verge / Footpath Closure**

1. For partial closures, the applicant must attach a sketch outlining the location of works, plant equipment, temporary fencing or pedestrian control and indicate the distance remaining for pedestrian access.
2. For full closures or partial closures with less than 1 metre available for pedestrian use, a Traffic Management Plan as outlined in the Queensland Transport's Manual of Uniform Traffic Control Devices (AS1742.3) must be submitted.

**Queensland Police**

Under section 96 of the Transport Operations (Road Use Management) Act, only Queensland Police Service has the authority to order the closure of any road temporarily. Queensland Police Service will only issue a Permit if the Local Government authority has agreed to the proposal by issuing a letter of no objection. The applicant must apply to Queensland Police Service for a permit prior to closures commencing.

**26. SUSTAINABLE EVENT HIRE EQUIPMENT CONDITIONS****Conditions for water stations:**

1. The hirer must attend a short demonstration on how the unit works; including set up and pack up to ensure this is done safely and to limit the possibility of damage to the unit;
2. Lifting of the refill station into a vehicle must involve putting one end of the station on the boot then lifting the other end safely to slide in, and the reverse when removing from the vehicle;
3. The station must be set up in close proximity to a tap and out of the sun. If the hose or unit is in the sun the water coming out could be hot.
4. The hose must not be a tripping hazard, this can be avoided by the unit being placed next to a tap or having control measures in place to prevent passers-by tripping over it.
5. The station must be cleaned before and after the event, and may require cleaning during the event depending on the length of time it is set up
6. The hirer must ensure the security of the unit and all fittings. Any loss or damage to the unit will be at the expense of the hirer.

**Conditions for recycling bins**

7. Recycling bins may be available for events occurring at a Council facility or on Council controlled land.
  8. A short waste assessment must be undertaken by a Resource Management Officer to determine whether recycling bins are suitable for the event. If deemed suitable, recycling bins will be delivered free of charge.
  9. Recycling bins will be delivered and removed from the venue by Council's Waste Collection Contractor.
  10. Only recyclable material as per Council's acceptance criteria may be placed in recycling bins. Accepted items can be detailed by the Resource Management Officer at the time of the event if required, through email, on the phone or by a demonstration on site.
  11. Any recycling bins which are deemed contaminated by Council's Waste Collection Contractor at the time of servicing will be emptied by the waste truck. In this event, the hirer will be liable for a return service per bin in accordance with Council's Fees and Charges Schedule.
