## 10. RELEASE AND INDEMNITY

In consideration of Douglas Shire Council ("Council") issuing me/us with The Approval for the purpose described or allowed under The Approval ("the activity/activities"), I/we:

1. release and discharge Council and Council's agents, servants, officers and insurers ("the Related Parties") from and in respect of all liability, claims, losses, damages or proceedings which I/we may have (either now or accruing in the future) against Council and/or the Related Parties in respect of, or arising out of, or in connection with the activity/activities;
2. agree that the release and discharge given under clause 1 may be pleaded by Council and the Related Parties as a bar to any action, suit or proceeding commenced now or taken at any time by Council and/or the Related Parties, against Council and/or the Related Parties, or to which Council and/or the Related Parties is or are joined as a party or parties, in respect of, or arising out of, or in connection with the activity/activities; and
3. agree that I/we am/are liable for and shall indemnify Council and the Related Parties against any liability, claim, loss, damage or proceeding in respect of, or arising out of, or in connection with the activity/activities.
4. The release and indemnity provided by you under 1-3 is, however, reduced to the extent that the Council and/or any of the Related Parties have caused or contributed to the relevant liability, claim, loss or damage.

The covenants given under this document are binding upon me/us and my/our heirs, executors, successors and permitted assigns.

## 15. ACTIVITY DESCRIPTIONS

**Make Alteration/Repair Footpath** – To repair or make changes to pedestrian footpaths.

**Construct/ Repair Planter Box/Garden Bed** – To deposit a planter box or boxes or construct a garden bed on the Footpath/Road Reserve.

**Permission for Temporary Alternative Access Across Kerb and Road Reserve** – Temporary access permission to drive over the constructed kerb and channelling other than the driveway. **Examples:** house relocations, house construction, commercial development, and plant and machinery access.

**Hoarding, Gantry, Scaffolding & Temporary Fencing** – To place a temporary fence around a building or structure under construction or repair, to erect temporary scaffolding or site sheds and toilets.

**Deposit/Store Equipment/Materials/Safety Fence** – Temporary placement of building materials on the road reserve. **Examples:** general landscaping supplies, industrial bin, construction site office, building materials, vehicles, plant and machinery and temporary fences.

**Temporarily Deposit Shipping Container/Skip Bin** – domestic uses.

### NOTES:

- i. **Public Land, Council Controlled Area** or local government controlled area means land, facilities and other infrastructure owned, held in trust or otherwise controlled by the local government.
- ii. **Footpath** is the constructed strip of path for pedestrian use.
- iii. **Road** is the roadway and parking areas intended for vehicle use.
- iv. **Nature Strip** is the strip of land from the property alignment to the kerb including the footpath and is also known as the 'road reserve'.
- v. **Open Spaces/Parks** are parks and sporting areas; public plazas and built outdoor areas; buffering different land uses; or protecting waterway systems, habitat corridors, natural areas and conservation areas.
- vi. For other application forms or permits, please go to [www.douglas.qld.gov.au/forms-permits/](http://www.douglas.qld.gov.au/forms-permits/)

## 16. TEMPORARY ROAD CLOSURE/TRAFFIC MANAGEMENT ADVISORY NOTES

1. Should the application be successful a 'Letter of No Objection' will be issued. This letter is used to obtain a Police permit.
2. The application is for the assessment of impact to all road users (e.g. pedestrian, cyclist and vehicular).
3. The 'Letter of No Objection' relates to the Traffic Management Plan only. The Council does not assess or approve the Traffic Guidance Scheme (e.g. plan indicating location of all traffic control devices).
4. It is the applicant's obligation to ensure the Traffic Guidance Scheme, for the proposed road closure, is in accordance with Queensland Transport's Manual of Uniform Traffic Control Devices (AS1742.3).
5. Local residents, businesses, bus and taxi companies directly affected are to be advised through public notices, media or letterbox notices prior to the approved road or verge closure.
6. If closure is related to special event that requires a prescribed activity permit under the Local Law, please use the event application forms stated at the top of this form.

### Verge / Footpath Closure

1. For partial closures, the applicant must attach a sketch outlining the location of works, plant equipment, temporary fencing or pedestrian control and indicate the distance remaining for pedestrian access.
2. For full closures or partial closures with less than 1 metre available for pedestrian use, a Traffic Management Plan as outlined in the Queensland Transport's Manual of Uniform Traffic Control Devices (AS1742.3) must be submitted.

### Queensland Police

Under section 96 of the Transport Operations (Road Use Management) Act, only Queensland Police Service has the authority to order the closure of any road temporarily. Queensland Police Service will only issue a Permit if the Local Government authority has agreed to the proposal by issuing a letter of no objection. The applicant must apply to Queensland Police Service for a permit prior to closures commencing.

## 17. STANDARD CONDITIONS

### Schedule 7 – Alternation or improvement to local government controlled areas and roads

The approval holder, its contractors or agents must—

1. only carry out the approved works or activities at the location specified in the approval;
2. ensure unobstructed movement of vehicles and pedestrians;
3. operate within the hours specified on the approval;
4. maintain public liability insurance for an amount as determined by the local government covering the activity which indemnifies the local government in respect to any liability arising from the activity;
5. indemnify the local government against claims for personal injury (including death) and damage to property (including economic loss) arising by, through or in connection with the works or activity;
6. lodge a security for performance bond in the amount decided by the local government and specified in the approval;
7. comply with any deadline for completion of the works or ceasing of the activity;
8. observe the standards specified in the approval in the carrying out the works or activity;
9. reinstate the area/road to the satisfaction of the local government's engineer following completion of the works or ceasing of an activity;
10. ensure the safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades;
11. comply with the requirements of relevant legislation, Australian standards and / or the FNQROC Development Manual; and
12. comply with all reasonable directions of an authorised person within the time specified by the authorised person.

### Schedule 23 – Undertaking regulated activities on local government controlled areas and roads – (b) depositing or encroaching of goods or materials

For all applications, conditions that will ordinarily be imposed on an approval are such conditions that the approval holder must—

- (a) lodge a security for performance of any requirement under this local law or any condition of approval;
- (b) only conduct the activity in the locations specified in the approval;
- (c) conduct the activity only during the hours specified in the approval;

- 
- (d) ensure unobstructed movement of vehicles and pedestrians;
  - (e) maintain public liability insurance for an amount as determined by the local government covering the activity which indemnifies the local government in respect to any liability arising from the activity;
  - (f) indemnify the local government against all claims and liability, including claims for personal injury (including death) and damage to property (including economic loss) arising by, through or in connection with the works or activity;
  - (g) ensure safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades to the satisfaction of an authorised person;
  - (h) reinstate the road to its original condition upon ceasing the activity.

**Schedule 32 – Carrying out works on a road or interfering with a road or its operation**

The conditions that will ordinarily be imposed on an approval are—

- (a) the interference, works or activity must not significantly—
    - (i) detract from the capacity of the road to provide a vehicular and, where relevant, pedestrian thoroughfare;
    - (ii) cause a nuisance or danger to any person or property;
    - (iii) obstruct access from the footway to kerbside parking
    - (iv) affect the amenity of the area or the environment;
    - (v) affect existing services located in, on, over or adjacent to a road;
  - (b) If the works or activities are the installation of a gate or grid in addition to the conditions above the following conditions must also be imposed—
    - (i) the approval holder must maintain the gate or grid in a condition that does not cause a potential safety hazards
    - (ii) maintain the road, for a distance of 10 metres on each side of the gate or the grid in good and sufficient repair—
      - A) so that vehicular and pedestrian traffic is not impeded or obstructed; and
      - B) to prevent or minimise the risk of personal injury or damage to property;
  - (c) exhibit specified signage warning traffic and pedestrians about the gate or grid on the road and maintain the signs unless or until the gate or grid is removed.
  - (d) location of such interference, works or activity;
  - (e) measures to ensure unobstructed movement of vehicles and pedestrians;
  - (f) duration or hours of operation of the activity;
  - (g) maintain public liability insurance for an amount as determined by the local government covering the activity which indemnifies the local government in respect to any liability arising from the activity;
  - (h) the approval holder must indemnify the local government against claims for personal injury (including death) and damage to property (including economic loss) arising by, through or in connection with the activity;
  - (i) lodgement of security for performance in amount determined by an authorised person;
  - (j) a deadline for completion of the works or ceasing of the activity;
  - (k) standards to be observed in the carrying out of the works or activity;
  - (l) reinstatement of the road by the approval holder to its original state following completion of the works or the ceasing of an activity; and
  - (m) requirements to ensure safety of pedestrians and vehicles including but not limited to the safe temporary diversion of traffic, erection of warning lights and barricades to the satisfaction of an authorised person;
  - (n) a requirement that the approval holder to enter into a binding contractual relationship with the local government regarding the maintenance and operation of the works or operation, and upon the activity ceasing, or the works no longer being required, the removal of the works by the approval holder.
- 

## 18. SPECIFIC CONDITIONS

There are other standard conditions that relate specifically to the permit type. These plus any other specific conditions that have been determined during assessment will appear on the approval/permit document.
