Part 7: Miscellaneous

29 Missed referral agency

- 29.1 This section applies if, at any time before the application is decided, an applicant has not referred the application to a referral agency referred to in section 55(1) of the Act or to another referral agency for all referral requirements under section 55(2) of the Act in the time provided to refer the application (a *missed referral agency*).²¹
- 29.2 A *party* to the application may, by notice given to each other party to the application, advise the parties that the applicant has not referred the application in accordance with section 54(1) of the Act.
- 29.3 Despite section 31.1(a) and subject to section 31.4 where notice has been given under section 29.2, the application does not lapse as a result of a missed referral agency.²²
- 29.4 The applicant must refer the application in accordance with section 5.1, as if ‘the day after part 1 has ended’ is ‘after the day the applicant gave or received notice about a missed referral agency’.
- 29.5 Part 2 and part 3 apply to the missed referral agency once action is taken under section 29.4.
- 29.6 Despite section 11.1, any referral agency referred the development application as a result of this section may make an information request.
- 29.7 If a notice about a missed referral agency is given before part 5 starts, then part 5 cannot start before part 2 has ended in relation to the missed referral agency.²³
- 29.8 If part 4 applies to the application, the giving of a notice under this section has no effect on any actions already undertaken under part 4.

30 Representations about a referral agency response

- 30.1 An applicant may make representations to a concurrence agency at any time before the application is decided, about changing a matter in the referral agency response.²⁴

31 Lapsing of application

- 31.1 An application lapses if the applicant does not carry out the following actions in the prescribed period, including any further agreed period under the relevant section—
- give the referral agency material to each referral agency that is party to the application and advise the assessment manager when the referral agency material was given under section 5, section 27 or section 29, as relevant to the application;²⁵ or
 - undertake the actions to publicly notify the application requiring public notification; or
 - give a notice of compliance under section 18 to the assessment manager for the application requiring public notification.

²¹ As provided for under section 5.

²² As set out in section 31.4, this section has no effect where a missed referral notice has already been given about the missed referral agency.

²³ Section 23.2 describes the effect on the decision period if part 5 had already commenced before notice about the missed referral had been given.

²⁴ An applicant may elect, under section 32, to stop the assessment manager's decision period in which to take this action. If a concurrence agency wishes to amend their response in relation to representations made under this section, they must do so in accordance with section 28.

²⁵ This provision is subject to section 29.3.
