Dear Sir/Madam,

**Re: Notice of stopping current period (s32 of DA Rules)
CocoNutZ Kecap ManiZ Pilot Plant
Mill Street, Mossman (Lot 27 on RP804231)**

We write regarding the above-described development application and advise that we are stopping the referral agency's current period in accordance with s32 of the Development Assessment Rules (DA Rules).

Please be advised that the current period will be stopped for a period of seven (7) business days, up to and including Friday 11 June, to facilitate further discussion of draft conditions relating to acoustic limits with relevant personnel within the Department of Environment and Science.

A copy of this notice has been provided to the assessment manager in accordance with s32.2 of the DA Rules.

Should you require any further information, please feel free to contact me via email at hannah@canberratownplanning.com.au or by phone on 0488 055 642.

Yours sincerely,

Hannah Neville
