Attention: Development Assessment

Dear Sir/Madam,

**Re: Application for Building Work Made Assessable Development under the Planning Scheme  
Lot 6 RP886633 [no. 134] Kingston Road, Whyanbeel**

GMA Certification Group has been engaged to assess an application for the construction of a shed on the abovementioned allotment. The subject site is located within a Rural Zone and the proposed shed does not comply with the prescribed road boundary setbacks in the Code. Further, the shed is to be located on an area of the land affected by the Flood Plain Assessment Overlay.

Accordingly, please find the application for Building Work Made Assessable Development under the Planning Scheme, which includes:

1. DA Form 2;
2. Assessment; &
3. Plans

### Assessment – Flood & storm tide hazard overlay code

The proposed shed is to be constructed on the highest part of the land. The owner has resided on the property for over 30 years and has not observed the land to flood over that time.

It is considered the proposed finished floor level which is consistent with the existing dwelling to the front of the property will provide an acceptable level of flood immunity.
