DA Form 1 – Development application details

Approved form (version 1.0 effective 3 July 2017) made under section 282 of the Planning Act 2016.

This form **must** be used to make a development application **involving code** assessment or **impact assessment**, except when applying for development involving building work.

For a development application involving building work only, use DA Form 2 - Building work details.

For a development application involving **building work associated with any other type of assessable development**, use this form (DA Form 1) **and** parts 4 to 6 of DA Form 2 – Building work details.

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*. For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

Note: All terms used in this form have the meaning given under the Planning Act 2016, the Planning Regulation 2017, or the Development Assessment Rules (DA Rules).

PART 1 - APPLICANT DETAILS

| 1) Applicant details | |
|---|-----------------------------|
| Applicant name(s) (individual or company full name) | DANNY GRAY |
| Contact name (only applicable for companies) | |
| Postal address (P.O. Box or street address) | C/- GMA CORTIFICATION GROSP |
| Suburb | P.O. BOX 831 PORT DOUGNAS |
| State | Q |
| Postcode | 4877 |
| Country | |
| Contact number | 40985750 |
| Email address (non-mandatory) | adminped a amacent, com and |
| Mobile number (non-mandatory) | |
| Fax number (non-mandatory) | |
| Applicant's reference number(s) (if applicable) | |

| 2) Owner's consent |
|---|
| 2.1) Is written consent of the owner required for this development application? |
| Yes – the written consent of the owner(s) is attached to this development application |
| No – proceed to 3) |

PART 2 - LOCATION DETAILS

| Guide: Relevant plans 3.1) Street address and lot on plan Street address AND lot on plan (all lots must be listed), or Street address AND lot on plan for an adjoining or adjacent property of the premises (appropriate for development in water but adjoining or adjacent to land e.g. jetty, pontoon; all lots must be listed). The Chief Executive Officer Douglas Shire Council PO Box 723 MOSSMAN Q 4873

Attention: Development Assessment

Dear Sir/Madam,

Re: Application for Building Work Made Assessable Development under the Planning Scheme Lot 79 SP230813 Captain Cook Highway, Craiglie

GMA Certification Group has been engaged to assess an application for the construction of a carport to be attached to an existing shed on the abovementioned allotment. The subject site is located within a Rural Zone and the proposed carport does not comply with the prescribed road boundary setbacks in the Code. Further, the shed is to be located on an area of the land affected by the Flood Plain Assessment Overlay.

Accordingly, please find the application for Building Work Made Assessable Development under the Planning Scheme, which includes:

- 1. DA Form 1;
- 2. Assessment; &
- 3. Plans

Assessment - Flood & storm tide hazard overlay code

The proposed carport is to be constructed on the highest part of the land. The owner has advised there has been no evidence that flood waters have reached to property. Further, The carport is an open structure and any perceive flooding would be inconsequential to the use of the proposed structure.

Assessment - Rural Zone Code

The following table provides an assessment of the proposed development with regards to applicable section of the Performance Outcomes of the Rural Zone Code.

| BUILDING APPROVALS & INSPECTIONS | | BUILDING CERTIFICATION FIRE SAFETY AUDIT | | TY AUDITS | |
|----------------------------------|----------------|--|----------------|----------------|----------------|
| Gold Coast | Sunshine Coast | Cloncurry | Chinchilla | Atherton | Childers |
