CONCURRENCE AGENCY REFERRAL - AMENITY AND AESTHETICS -
DOUGLAS SHIRE PLANNING SCHEME 2018
14 KINGFISHER LANE, WHYANBEEL, QLD 4873

Background

The applicant has engaged the services of Emergent Building Approvals to lodge an application for an Amenity and Aesthetics assessment under the Planning Scheme to Douglas Shire Council on their behalf. The proposal includes a new shed. The development is subject to the hillslopes code. Due to the limited scope of work required for the building pad, an exemption request has been applied for building works assessable against the planning scheme – hillslopes code and this application is strictly a referral assessment for amenity and aesthetics.

Due to the non-compliance/s nominated above the applicant hereby requests Council as the nominated Concurrence Agency under the Planning Regulation 2017, Schedule 9, Division 2 Table 3 to conduct an assessment against the relevant performance criteria of the Hillslope Code in accordance with Section 30 of the Building Act 1975.

Amenity and Aesthetics Assessment

Table 8.2.5.3.a – Hillslopes overlay code –assessable development

Hillslopes Overlay Code	
For accepted and assessable development	
Safety of people, property and environment	
PO1 The landscape character and visual amenity quality of hillslopes areas is retained to protect the scenic backdrop to the region.	The external colour of the shed will be Colourbond Cove which is an earthy colour to blend into the surrounding environment. The shed will not be visible from other allotments due to the dense surrounding vegetation.

Summary

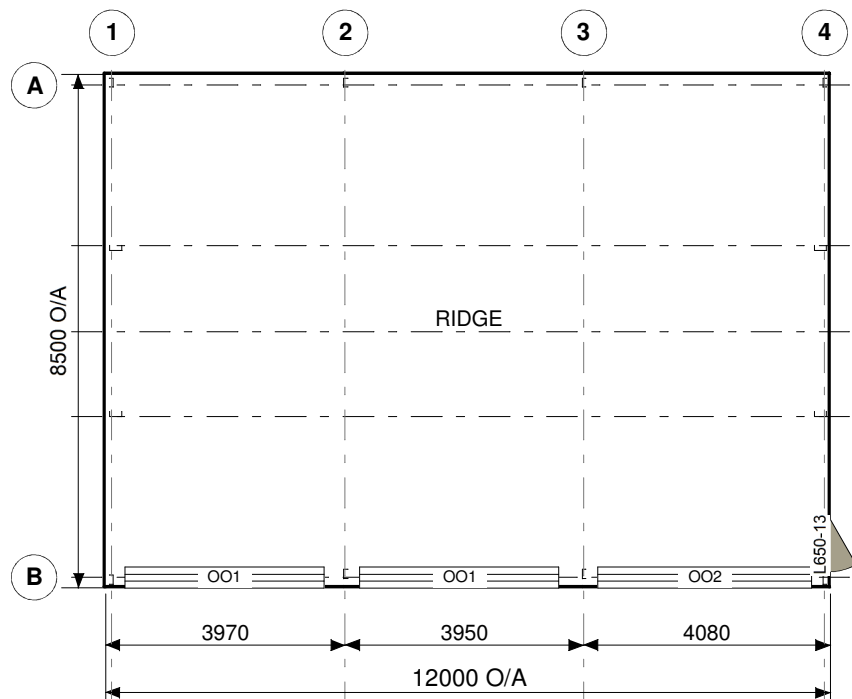

The above report clearly shows the proposal is compatible with the outcomes sought for all relevant codes. It is therefore considered acceptable that the Local Government approve the proposal as it is suitably designed to complement the area and satisfy the acceptable measure of the relevant codes.

Exemption Certificate request report

DATE: 06/03/2020

APPLICANT: Mareeba Sheds and Gas C/- Emergent Building Approvals

TO: Douglas Shire Council

NUMBER OF PAGES: 2 (Including cover sheet)

ADDRESS: 14 Kingfisher Lane, Whyanbeel

REAL PROPERTY DESCRIPTION: Lot: 5 RP: 893101

REFERENCE DOCUMENTATION DWG NUMBER: Site plan and Shed elevations by Ranbuild

BACKGROUND: The proposed shed is located on land that is mapped in the Rural Zone under the Douglas Shire Planning Scheme 2018. Under Table 5.6.j Tables of Assessment a Building Work is considered as Accepted Development subject to requirements.

Consequently, the following overlay codes apply-

Zone- Rural Zone

Overlays- Hillslopes Overlay

The triggers for the assessable development are:-

- Hillslopes Overlay - AO1.1

The following provides a rationale as to the application for exemption under Section 46(3)(b)(i) the effects of the development would be minor or inconsequential, considering the circumstances under which the development was categorised as assessable development.-

Hill slopes Overlay – High Impact – The proposed site has been previously levelled and cleared of vegetation during construction of the dwelling. Minimal earthworks for the building pad preparation will be carried out in accordance with Part 3.1 of the NCC Vol 2 – 2019.

Summary

In conclusion, the above sections address Section 46(3)(b)(i) of the Planning Act in so far as to indicate that the effects of the proposed dwelling additions are inconsequential in context to the scale of development and the associated impacts.
