**CONCURRENCE AGENCY REFERRAL - AMENITY AND AESTHETICS -**  
**DOUGLAS SHIRE PLANNING SCHEME 2018**  
**143 KAHANA ROAD, WHYANBEEL, QLD 4873**

## **Background**

The applicant has engaged the services of Emergent Building Approvals to lodge an application for an Amenity and Aesthetics assessment under the Planning Scheme to Douglas Shire Council on their behalf. The proposal includes a Secondary Dwelling. The development is subject to the hillslopes code. Due to the development being carried out on an existing cleared building pad, an exemption request has been applied for building works assessable against the planning scheme – hillslopes code and this application is strictly a referral assessment for amenity and aesthetics.

Due to the non-compliance/s nominated above the applicant hereby requests Council as the nominated Concurrence Agency under the Planning Regulation 2017, Schedule 9, Division 2 Table 3 to conduct an assessment against the relevant performance criteria of the Hillslope Code in accordance with Section 30 of the Building Act 1975.

## **Amenity and Aesthetics Assessment**

Table 8.2.5.3.a – Hillslopes overlay code –assessable development

<b>Hillslopes Overlay Code</b>	
<b>For accepted and assessable development</b>	
<b>Safety of people, property and environment</b>	
<b>PO1</b>  The landscape character and visual amenity quality of hillslopes areas is retained to protect the scenic backdrop to the region.	<b>The external colours of the Dwelling are as follows:</b>  <b>External Walls</b> – Colourbond Basalt <b>Roof</b> – Colourbond Ironstone <b>Fascia/gutters</b> – Colourbond Monument  <b>The dwelling will not be visible from surrounding allotments due to the dense vegetation and the colours are non-reflective to protect the scenic backdrop of the region.</b>

## **Summary**

The above report clearly shows the proposal is compatible with the outcomes sought for all relevant codes. It is therefore considered acceptable that the Local Government approve the proposal as it is suitably designed to complement the area and satisfy the acceptable measure of the relevant codes.

## Exemption Certificate request report

**DATE:** 08/07/2020

**APPLICANT:** Homefab Installations C/- Emergent Building Approvals

**TO:** Douglas Shire Council

**NUMBER OF PAGES:** 2 (Including cover sheet)

---

**ADDRESS:** 143 Kahana Road, Whyanbeel

**REAL PROPERTY DESCRIPTION:** Lot: 44 RP: 750112

**REFERENCE DOCUMENTATION DWG NUMBER:** Plans by Homefab Sheet no. A.01, A.06, A.07, A.08

---

**BACKGROUND:** The proposed Secondary Dwelling is located on land that is mapped in the Rural Zone under the Douglas Shire Planning Scheme 2018. Under Table 5.6.j Tables of Assessment a Building Work is considered as Accepted Development subject to requirements.

Consequently, the following overlay codes apply-

<b>Zone-</b>	Rural Zone
<b>Overlays-</b>	Hillslopes Overlay Potential Landslide Hazard Overlay Natural Areas Overlay – Wildlife Habitat

The triggers for the assessable development are:-

- Hillslopes Overlay - AO1.1

The following provides a rationale as to the application for exemption under Section 46(3)(b)(i) the effects of the development would be minor or inconsequential, considering the circumstances under which the development was categorised as assessable development.-

**Hill slopes Overlay – High Impact** – The proposed dwelling will be sited on an existing benched/cleared building pad where an existing secondary dwelling stood, that has been demolished due to damage and is being replaced through an insurance claim.

Please note the secondary dwelling complies with all other assessment benchmarks as follows:

- GFA less than 80m<sup>2</sup> intended for relatives' accommodation,
- 1 car parking space,
- No further impact on environmental significance
- No clearing of assessable vegetation for the dwelling or septic system. The wastewater system will be located 10m below the dwelling with minor clearing limited to planted trees, grass and shrubs.

### **Summary**

In conclusion, the above sections address Section 46(3)(b)(i) of the Planning Act in so far as to indicate that the effects of the proposed dwelling additions are inconsequential in context to the scale of development and the associated impacts.

If you require any further clarification regarding any aspect of this submission, please don't hesitate to contact myself on 040419172328 or beau@emergentba.com.au.
