PO2 Buildings and structures are setback to maintain the rural character of the area and achieve separation from buildings on adjoining properties.	AO2 Buildings are setback not less than: (a) 40 metres from the property boundary and a State-controlled road; (b) 25 metres from the property boundary adjoining Cape Tribulation Road; (c) 20 metres from the boundary with any other road; (d) 6 metres from side and rear property boundaries.	The shed extensions are to be constructed up to 4000mm from rear boundary. The location of the proposed shed additions will achieve adequate separation from buildings on the adjoining property to maintain the rural character of the area. The adjacent land is a vacant cane farm.
