### DA Form 1 – Development application details

Approved form (version 1.3 effective 28 September 2020) made under section 282 of the Planning Act 2016.

This form **must** be used to make a development application **involving code assessment or impact assessment**, except when applying for development involving only building work.

For a development application involving **building work only**, use DA Form 2 – Building work details.

For a development application involving building work associated with any other type of assessable development (i.e. material change of use, operational work or reconfiguring a lot), use this form (*DA Form 1*) and parts 4 to 6 of *DA Form 2 – Building work details.* 

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008.* For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

Note: All terms used in this form have the meaning given under the Planning Act 2016, the Planning Regulation 2017, or the Development Assessment Rules (DA Rules).

6.3) Additional aspects of development								
	Additional aspects of development are relevant to this development application and the details for these aspects that would be required under Part 3 Section 1 of this form have been attached to this development application							

#### Section 2 - Further development details

7) Does the proposed development application involve any of the following?				
Material change of use	$\boxtimes$ Yes – complete division 1 if assessable against a local planning instrument			
Reconfiguring a lot	☑ Yes – complete division 2			
Operational work	Yes – complete division 3			
Building work	Yes – complete DA Form 2 – Building work details			

#### Division 1 - Material change of use

Note: This division is only required to be completed if any part of the development application involves a material change of use assessable against a local planning instrument.

8.1) Describe the proposed material change of use							
Provide a general description of the proposed use	Provide the planning scheme definition (include each definition in a new row)	Number of dwelling units ( <i>if applicable</i> )	Gross floor area (m <sup>2</sup> )				
	· · · · · · · · · · · · · · · · · · ·		(if applicable)				
RESORT COMPLEX	Outdoor Sport and Recreation						
	Short-term Accommodation	Hotel + Max 90 Dwellings					
	Food and Drink Outlet						
	Shop						
	Tourist Park						
	Caretaker's Accommodation	1					
	Air Services						
8.2) Does the proposed use involve the	e use of existing buildings on the premises?		1				
Yes							
No							

#### Division 2 – Reconfiguring a lot

Note: This division is only required to be completed if any part of the development application involves reconfiguring a lot.

9.1) What is the total number of existing lots making up the premises?
1

9.2) What is the nature of the lot reconfiguration? (tick all applicable boxes)				
Subdivision (complete 10))	Dividing land into parts by agreement (complete 11))			
Boundary realignment (complete 12))	Creating or changing an easement giving access to a lot from a constructed road <i>(complete 13))</i>			

10) Subdivision							
10.1) For this development, how many lots are being created and what is the intended use of those lots:							
Intended use of lots created	Residential	Commercial	Industrial	Other, please specify:			
Number of lots created	1 STAGE 2 – 90 Lots	1 – Hotel Precinct		1 – Wave Park 2 – Surf Camp			
10.2) Will the subdivision be staged?							
<ul> <li>☑ Yes – provide additional details below</li> <li>☑ No</li> </ul>							
How many stages will the works	include?	2 Refer to Planning	g Report				

What stage(s) will this development application	Stages 1 & 2
apply to?	

11) Dividing land into parts by agreement – how many parts are being created and what is the intended use of the parts?						
Intended use of parts created	Residential	Commercial	Industrial	Other, please specify:		
Number of parts created						

12) Boundary realignment						
12.1) What are the current and proposed areas for each lot comprising the premises?						
Current lot		Proposed lot				
Lot on plan description	Area (m <sup>2</sup> )	Lot on plan description	Area (m <sup>2</sup> )			
12.2) What is the reason for the boundary realignment?						

13) What are the dimensions and nature of any existing easements being changed and/or any proposed easement? (attach schedule if there are more than two easements)						
Existing or proposed?	Width (m)	Length (m)	Purpose of the easement? (e.g. pedestrian access)	Identify the land/lot(s) benefitted by the easement		

#### Division 3 – Operational work

Note: This division is only required to be completed if any part of the development application involves operational work.

14.1) What is the nature of the operational work?								
Road work	Stormw	rater	Water infrastructure					
Drainage work	Earthwo	orks	Sewage infrastructure					
Landscaping	🗌 Signage	e 🗌	Clearing vegetation					
Other – please specify:								
14.2) Is the operational work necessary to facilitate the creation of new lots? (e.g. subdivision)								
Yes – specify number of new lots:								
□ No								
14.3) What is the monetary value of the proposed operational work? (include GST, materials and labour)								
\$								

### PART 4 – ASSESSMENT MANAGER DETAILS

15) Identify the assessment manager(s) who will be assessing this development application
Douglas Shire Council
16) Has the local government agreed to apply a superseded planning scheme for this development application?
<ul> <li>Yes – a copy of the decision notice is attached to this development application</li> <li>The local government is taken to have agreed to the superseded planning scheme request – relevant documents attached</li> </ul>
No

## PART 5 – REFERRAL DETAILS

17) Does this development application include any aspects that have any referral requirements? <b>Note:</b> A development application will require referral if prescribed by the Planning Regulation 2017.
No, there are no referral requirements relevant to any development aspects identified in this development application – proceed to Part 6
Matters requiring referral to the Chief Executive of the Planning Act 2016:
Clearing native vegetation
Contaminated land (unexploded ordnance)
Environmentally relevant activities (ERA) (only if the ERA has not been devolved to a local government)
Fisheries – aquaculture
Fisheries – declared fish habitat area
🛛 Fisheries – marine plants
Fisheries – waterway barrier works
Hazardous chemical facilities
Heritage places – Queensland heritage place (on or near a Queensland heritage place)
Infrastructure-related referrals – designated premises
Infrastructure-related referrals – state transport infrastructure
Infrastructure-related referrals – State transport corridor and future State transport corridor
Infrastructure-related referrals – State-controlled transport tunnels and future state-controlled transport tunnels
Infrastructure-related referrals – near a state-controlled road intersection
□ Koala habitat in SEQ region – interfering with koala habitat in koala habitat areas outside koala priority areas
Koala habitat in SEQ region – key resource areas
Ports – Brisbane core port land – near a State transport corridor or future State transport corridor
Ports – Brisbane core port land – environmentally relevant activity (ERA)
Ports – Brisbane core port land – tidal works or work in a coastal management district
Ports – Brisbane core port land – hazardous chemical facility
Ports – Brisbane core port land – taking or interfering with water
Ports – Brisbane core port land – referable dams
Ports – Brisbane core port land – fisheries
Ports – Land within Port of Brisbane's port limits (below high-water mark)
SEQ development area
SEQ regional landscape and rural production area or SEQ rural living area – tourist activity or sport and recreation activity
SEQ regional landscape and rural production area or SEQ rural living area – community activity
SEQ regional landscape and rural production area or SEQ rural living area – indoor recreation
SEQ regional landscape and rural production area or SEQ rural living area – urban activity
SEQ regional landscape and rural production area or SEQ rural living area – combined use
Tidal works or works in a coastal management district
Reconfiguring a lot in a coastal management district or for a canal
Erosion prone area in a coastal management district
🗌 Urban design
Water-related development – taking or interfering with water
Water-related development – removing quarry material (from a watercourse or lake)
Water-related development – referable dams
Water-related development –levees (category 3 levees only)
Wetland protection area
Matters requiring referral to the local government:
Airport land
Environmentally relevant activities (ERA) (only if the ERA has been devolved to local government)

Heritage places – Local heritage places

Matters requiring referral to the Chief Executive of the distribution entity or transmission entity:

□ Infrastructure-related referrals – Electricity infrastructure

Matters requiring referral to:

• The Chief Executive of the holder of the licence, if not an individual

• The holder of the licence, if the holder of the licence is an individual

□ Infrastructure-related referrals – Oil and gas infrastructure

Matters requiring referral to the Brisbane City Council:

Ports – Brisbane core port land

Matters requiring referral to the Minister responsible for administering the Transport Infrastructure Act 1994:

Ports – Brisbane core port land (where inconsistent with the Brisbane port LUP for transport reasons)

Ports – Strategic port land

Matters requiring referral to the relevant port operator, if applicant is not port operator:

Ports – Land within Port of Brisbane's port limits (below high-water mark)

Matters requiring referral to the Chief Executive of the relevant port authority:

Ports - Land within limits of another port (below high-water mark)

Matters requiring referral to the **Gold Coast Waterways Authority**:

Tidal works or work in a coastal management district (in Gold Coast waters)

Matters requiring referral to the Queensland Fire and Emergency Service:

Tidal works or work in a coastal management district (involving a marina (more than six vessel berths))

#### 18) Has any referral agency provided a referral response for this development application?

☐ Yes – referral response(s) received and listed below are attached to this development application ⊠ No

Referral requirement	Referral agency Date of referral response		

Identify and describe any changes made to the proposed development application that was the subject of the referral response and this development application, or include details in a schedule to this development application *(if applicable).* 

### PART 6 – INFORMATION REQUEST

19) Information request under Part 3 of the DA Rules

 $oxed{black}$  I agree to receive an information request if determined necessary for this development application

I do not agree to accept an information request for this development application

Note: By not agreeing to accept an information request I, the applicant, acknowledge:

 that this development application will be assessed and decided based on the information provided when making this development application and the assessment manager and any referral agencies relevant to the development application are not obligated under the DA Rules to accept any additional information provided by the applicant for the development application unless agreed to by the relevant parties

• Part 3 of the DA Rules will still apply if the application is an application listed under section 11.3 of the DA Rules.

Further advice about information requests is contained in the <u>DA Forms Guide</u>.

# PART 7 – FURTHER DETAILS
