Warning

Some employment advertising for jobs may in fact be fronts for illegal scams. Some tactics used by the fraudsters include the following:

- Corresponding via email only.
- Offers that involve you being paid a commission for very little work.
- Promise of employment simply by using your bank account, perhaps as an account manager or transfer manager.
- Exercise caution when responding to such advertisements. If the offer seems too good to be true; it probably is.
- For further information refer to: www.scamwatch.gov.au
