Attention: Rachel Aubrey

Dear Rachel

**COMBINED ACKNOWLEDGEMENT NOTICE AND INFORMATION REQUEST
FOR MATERIAL CHANGE OF USE (TELECOMMUNICATION FACILITIES)
AND LOT RECONFIGURATION (LEASE EXCEEDING 10 YEARS)
CAPTAIN COOK HIGHWAY, WANGETTI**

Receipt of the above application for Telecommunication Facilities is acknowledged.

Please find attached an Acknowledgement Notice prepared in accordance with sections 267 and 268 of the *Sustainable Planning Act 2009*. The Acknowledgement Notice contains information relevant to the processing and assessment of the application.

It is indicated on the Acknowledgement Notice that the application requires referral to a referral agency. Accordingly you are required to forward a copy of the application and the attached Acknowledgement Notice to the State Assessment and Referral Agency within 20 business days (section 272). You must then advise Council in writing of the date that the application was referred to each agency (section 275). Should you be required to provide further information by the State Assessment and Referral Agency, then a copy of any response to such request must also be lodged with Council as the Assessment Manager (section 278(2)). Council requires that you provide two (2) copies of the response to all such information requests.

Public notification of the application may not commence until the end of the Information and Referral Stage, as the State Assessment and Referral Agency may wish to make an information request. Should you be required to provide further information by the State Assessment and Referral Agency then a copy of any response to such request must also be lodged with Council as the Assessment Manager (section 278(2)). Council requires that you provide two (2) copies of the response to all such information requests.

After a preliminary examination of the above application, the following information is required in order to complete an assessment of the proposal (section 276):

- Please outline the extent of works (if any) required along the access track for either the construction of the proposed telecommunications tower and/or the on-going maintenance of the tower in terms of any track widening, earthworks, loss of vegetation and consequential visual impacts when viewed from the Captain Cook Highway.
- Please confirm whether the proposed tower will protrude above the ridgeline. A photomontage of the proposed facility when viewed from the Captain Cook Highway is required to gain an understating of the visual impact of the proposed telecommunications facility.

If required, Council is willing to convene a meeting to discuss the above information request.

In accordance with section 279 of the *Sustainable Planning Act 2009*, the application will lapse if no response to this information request is received within six (6) months (three (3) months for enforcement notices).

Please note that the information response to Council should include two (2) complete copies of the response and if plans form part of the response then two (2) sets of such plans at scale should also be provided.

Should you require any further information or assistance, please contact Simon Clarke of Development Assessment and Coordination on telephone number 07 4099 9480.

Yours faithfully

Paul Hoye | Manager
Sustainable Communities | Douglas Shire Council
