Change Application Form (Planning Act Form 5 under the section 282 of the Planning Act 2016) for
Minor Change Application- Santacatterina Road, FINLAYVALE QLD 4873 Lo 1 RP:898230

Dear Sir/Madam,

We, Vladimir Cvetkovic and Jelena Cvetkovic, the owners of the above property are seeking the removal of the Secondary Residence from the original application and subsequently the removal of the Ecological Assessment Condition. As discussed with Daniel Lamond last week, since the secondary residence is not going to be built, there is no need for clearing or a need to determine matters of State Environmental Significance for flora and fauna by an ecological assessor.

The Main Residence to be built on the flat pad, its position and footprint remains same and matches the already approved plans and documents by Council on 8 February 2024.

Attachments:

(B) referral to a referral agency, other than to the chief executive, if there were no referral agencies for the development application; or

(C) referral to extra referral agencies, other than to the chief executive; or

matter, other than a matter the referral agency must have assessed the application against, or had regard to, when the application was made; or

(E) public notification if public notification was not required for the development application."
