APPROVED DRAWING(S) AND/OR DOCUMENT(S)

The term 'approved drawing(s) and/or document(s)' or other similar expression means:

Drawing or Document	Reference	Date
Proposed sign content	1023-2015a	Received 27 August 2015
Proposed location	1023-2015b	Received 27 August 2015

ASSESSMENT MANAGER CONDITIONS

1. Carry out the approved development generally in accordance with the approved drawing(s) and/or document(s), and in accordance with:
 - a. The specifications, facts and circumstances as set out in the application submitted to Council;
 - b. The following conditions of approval and the requirements of Council's Planning Scheme and the *FNQROC Development Manual*.

Except where modified by these conditions of approval.

Size and Location of Sign

2. The sign is to have maximum dimensions of 2400mm wide and 3600mm high with no part of the sign extending into the adjoining road reserve.

Content of Sign

3. The content of the sign will be generally limited to that shown on the approved drawings (ie real estate sales for tenancies on-premises). The sign is not to be modified for use as any other form of general advertising.

Structural Certification

4. The proposed sign will be certified by a suitably qualified professional following installation on the land to ensure that the sign is structurally adequate.

Limitation on Life of Approval (Relevant Period)

5. A Relevant Period of 24 months applies to the Development Permit, unless prior to the Development Permit lapsing, the Applicant has made application to extend to the Relevant Period.

Maintenance of Sign

- (a) constructed of high quality materials selected for easy maintenance, durability and an ability not to readily stain, discolour or deteriorate;
- (b) maintained to ensure that any damage to the sign (including graffiti), staining, discolouration or deterioration is remedied as soon as practical after the damage is detected.

FURTHER ADVICE

1. This approval, granted under the provisions of the *Sustainable Planning Act 2009*, shall lapse two (2) years from the day the approval takes effect in accordance with the provisions of section 346 of the *Sustainable Planning Act 2009*.
2. All building site managers must take all action necessary to ensure building materials and / or machinery on construction sites are secured immediately following the first cyclone watch and that relevant emergency telephone contacts are provided to Council officers, prior to commencement of works.
3. Advice regarding building approval for the Advertising Device should be obtained from a suitably qualified private building certifier prior to construction and commencement of use.
4. There is an obligation on behalf of the property owner to maintain the front boundary fence and Council expects this obligation to be met.
5. This approval does not negate the requirement for compliance with all other relevant Local Laws and other statutory requirements.
6. For information relating to the *Sustainable Planning Act 2009* log on to www.dilgp.qld.gov.au . To access the *FNQROC Development Manual*, Local Laws and other applicable Policies log on to www.douglas.qld.gov.au .
