## **Division 2            Changing development approvals**

### **Subdivision 1        Changes during appeal period**

#### **74        What this subdivision is about**

- (1) This subdivision is about changing a development approval before the applicant's appeal period for the approval ends.
- (2) This subdivision also applies to an approval of a change application, other than a change application for a minor change to a development approval.
- (3) For subsection (2), sections 75 and 76 apply—
  - (a) as if a reference in section 75 to a development approval were a reference to an approval of a change application; and
  - (b) as if a reference in the sections to the assessment manager were a reference to the responsible entity; and
  - (c) as if a reference in section 76 to a development application were a reference to a change application; and
  - (d) as if the reference in section 76(3)(b) to section 63(2) and (3) were a reference to section 83(4); and
  - (e) with any other necessary changes.

#### **75        Making change representations**

- (1) The applicant may make representations (*change representations*) to the assessment manager, during the applicant's appeal period for the development approval, about changing—

- 
- (a) a matter in the development approval, other than—
    - (i) a matter stated because of a referral agency's response; or
    - (ii) a development condition imposed under a direction given by the Minister under part 6, division 2; or
    - (iii) a development condition imposed under a direction given by the chief executive under section 106ZF(2); or
  - (b) if the development approval is a deemed approval—the standard conditions taken to be included in the deemed approval under section 64(8)(d).
- (2) If the applicant needs more time to make the change representations, the applicant may, during the applicant's appeal period for the approval, suspend the appeal period by a notice given to the assessment manager.
- (3) Only 1 notice may be given.
- (4) If a notice is given, the appeal period is suspended—
- (a) if the change representations are not made within a period of 20 business days after the notice is given to the assessment manager—until the end of that period; or
  - (b) if the change representations are made within 20 business days after the notice is given to the assessment manager, until—
    - (i) the applicant withdraws the notice, by giving another notice to the assessment manager; or
    - (ii) the assessment manager gives the applicant the decision notice for the change representations; or
    - (iii) the end of 20 business days after the change representations are made, or a longer period agreed in writing between the applicant and the assessment manager.
- (5) If the applicant makes the change representations during the appeal period without giving a notice under subsection (2),
