Dear Sir

**INFORMATION REQUEST FOR MATERIAL CHANGE OF USE  
TELECOMMUNICATIONS FACILITIES  
LOT 99 SP150496 WHARF STREET, PORT DOUGLAS**

Receipt of the above application for Telecommunications Facilities is acknowledged.

Preliminary assessment of the application indicates that further information is required for Council to complete an assessment and determination of the application as follows:

- Please confirm any vegetation loss associated with connecting the telecommunications facility to the proposed underground electricity conduit.
- The Telecommunications facilities code contemplates colocation of future telecommunication facilities to ensure that there is not a proliferation of further towers locally within the shire. Please advise whether the design is suitable for future colocation opportunities.
- The tower is surrounded by mature vegetation that contains a bat colony. Please advise any effects the tower may have on the bat colony.

In accordance with section 279 of the *Sustainable Planning Act 2009*, the application will lapse if no response to this information request is received within six (6) months.

Should you require any further information or assistance, please contact  
Simon Clarke Coordinator Development Assessment and Coordination on  
telephone number 07 4099 9480.

Yours faithfully

Paul Hoyer | Manager  
**Sustainable Communities | Douglas Shire Council**
