Dear Sir

**RE REQUEST TO CHANGE CONDITIONS OF THE DEVELOPMENT  
APPROVAL FOR 5957R DAVIDSON STREET CRAIGLIE**

Council refers to your email correspondence requesting a further change to the conditions of the above referenced approval.

As the approval was issued by the Planning and Environment Court, Council is no longer the 'responsible entity' for the purposes of seeking to further amend the approval. Accordingly your request must be lodged with and applicable fees paid to the Court. It is recommended your contact your legal adviser regarding this issue.

Council will determine its position in relation to any such application when the appropriate process has been followed. Please also note that Council expressly reserves its position with respect costs.

Should you require further assistance on this matter please contact Jenny Elphinstone by telephone on (07) 4099 9482 or by email on [jenny.elphinstone@douglas.qld.gov.au](mailto:jenny.elphinstone@douglas.qld.gov.au) .

Yours faithfully
