

To whom it may concern

I am proposing that I legitimise my home-based business with permit.

My business consists of one washing machine, one roller iron for crisp sheets, and one dryer.

I Only service the 6 homes that are mine

I use my shed to store linen, blankets, mattress protectors, amenities, spare equipment e.g. coffee machines, light globes, rugs or my Airbnb's.

Cleaning supplies multiple mops buckets and vacuum cleaners,

Some gardening tools are also locked in and kept safe.

And some of My partners tools and boating goods.

The shed which I use to is 70sqm shed and is located between my home and council easement, then an empty block of land. So there are no neighbours near my shed.

I do have cleaners come to home to pick up equipment and linen and this is done around 9.30 as checkout is at 10 am and they will deliver the soiled laundry and cleaning supplies back usually before 2.

My home is fully gated and no one can see in from the road.

Kindest regards

Krystal DeMenna
