Attention: Development Assessment

Dear Sir/Madam

RE: Application for Material Change of Use – Dwelling house (Rural Residential Siting) - 13 Bowman Close Wonga Beach. Lot 3 on SP336207

Rapid Building Approvals is acting on behalf of the owner (Colin & Anne-Marie Murie) of the abovementioned land to seek a development permit for Material Change of Use - Dwelling house (rural residential siting). The proposed dwelling house requires a dispensation with the proposed setbacks:

Front setback: 9250mm

In support of this application, the following material has been provided:

- 1. Plans
- 2. DA form 1
- 3. Response to applicable Rural Residential Zone parts.

It is considered that the proposed setbacks do not adversely impact upon the rural residential amenity of the area or the adjoining allotments. Should you require any further information or assistance in relation to this manner please don't hesitate to contact Ryan Bird on 1300 163 814 or via email at approvals@rapidapprovals.com.au

Regards,

Ryan Bird

Applicable QDC Performance Outcomes from MP1.2

| Performance Outcomes | Acceptable Outcomes | Applicant Response |
|---|---|---|
| PO2 Buildings and structures are setback to maintain the rural residential character of the area and achieve separation from buildings on adjoining properties. | AO2 Buildings are setback not less than: (a) 40 metres from a property adjoining a State controlled road; (b) a minimum of 25 metres from the property boundary adjoining Cape Tribulation Road; (c) 20 metres from front boundaries; (d) 6 metres from side and rear property boundaries | The proposed dwelling house is located on a smaller sized rural residential allotment. The proposed setbacks are generally consistent with the area given the smaller size of the allotment. There is sufficient distance form all boundaries to adjoining properties and does not result in any adverse impacts to those properties. |

DA Form 1 – Development application details

Approved form (version 1.4 effective 15 December 2023) made under section 282 of the Planning Act 2016.

This form **must** be used to make a development application **involving code assessment or impact assessment**, except when applying for development involving only building work.

For a development application involving **building work only**, use *DA Form 2 – Building work details*.

For a development application involving **building work associated with any other type of assessable development** (i.e. material change of use, operational work or reconfiguring a lot), use this form (*DA Form 1*) and parts 4 to 6 of *DA Form 2 – Building work details*.

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*. For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

Note: All terms used in this form have the meaning given under the Planning Act 2016, the Planning Regulation 2017, or the Development Assessment Rules (DA Rules).
