Dear Daniel,

**Further Information to Assist in the Planning Assessment
Material Change of Use for Air Services (Helipad) and Caretaker's Accommodation
35-39 Port Street Port Douglas on Lot 11 SP273000 & Easement C SP273000 (Access)**

I refer to my letter of 9 November 2021, requesting to 'stop the assessment period' until 15 February 2022 – in order to allow the preparation of an Acoustic Report to respond to submissions.

I am pleased to attach the Noise Impact Assessment Report by Renzo Tonin.

Accordingly, Council is now requested to proceed with the Planning Assessment and it would be appreciated if this matter could be presented to the January 2022 Council Meeting.

If you have any questions, please contact me.

Yours faithfully

Nikki Huddy (FPIA)
