## Extracts from the Planning Act 2016 - Making Representations During Applicant's Appeal Period

Planning Act 2016  
Chapter 3 Development assessment

[s 74]

---

### Division 2 Changing development approvals

#### Subdivision 1 Changes during appeal period

##### 74 What this subdivision is about

- (1) This subdivision is about changing a development approval before the applicant's appeal period for the approval ends.
- (2) This subdivision also applies to an approval of a change application, other than a change application for a minor change to a development approval.
- (3) For subsection (2), sections 75 and 76 apply—
  - (a) as if a reference in section 75 to a development approval were a reference to an approval of a change application; and
  - (b) as if a reference in the sections to the assessment manager were a reference to the responsible entity; and
  - (c) as if a reference in section 76 to a development application were a reference to a change application; and
  - (d) as if the reference in section 76(3)(b) to section 63(2) and (3) were a reference to section 83(4); and
  - (e) with any other necessary changes.

##### 75 Making change representations

- (1) The applicant may make representations (*change representations*) to the assessment manager, during the applicant's appeal period for the development approval, about changing—
  - (a) a matter in the development approval, other than—
    - (i) a matter stated because of a referral agency's response; or

- 
- (ii) a development condition imposed under a direction made by the Minister under chapter 3, part 6, division 2; or
    - (b) if the development approval is a deemed approval—the standard conditions taken to be included in the deemed approval under section 64(8)(c).
  - (2) If the applicant needs more time to make the change representations, the applicant may, during the applicant's appeal period for the approval, suspend the appeal period by a notice given to the assessment manager.
  - (3) Only 1 notice may be given.
  - (4) If a notice is given, the appeal period is suspended—
    - (a) if the change representations are not made within a period of 20 business days after the notice is given to the assessment manager—until the end of that period; or
    - (b) if the change representations are made within 20 business days after the notice is given to the assessment manager, until—
      - (i) the applicant withdraws the notice, by giving another notice to the assessment manager; or
      - (ii) the applicant receives notice that the assessment manager does not agree with the change representations; or
      - (iii) the end of 20 business days after the change representations are made, or a longer period agreed in writing between the applicant and the assessment manager.
  - (5) However, if the assessment manager gives the applicant a negotiated decision notice, the appeal period starts again on the day after the negotiated decision notice is given.

## **76 Deciding change representations**

- (1) The assessment manager must assess the change representations against and having regard to the matters that

- must be considered when assessing a development application, to the extent those matters are relevant.
- (2) The assessment manager must, within 5 business days after deciding the change representations, give a decision notice to—
    - (a) the applicant; and
    - (b) if the assessment manager agrees with any of the change representations—
      - (i) each principal submitter; and
      - (ii) each referral agency; and
      - (iii) if the assessment manager is not a local government and the development is in a local government area—the relevant local government; and
      - (iv) if the assessment manager is a chosen assessment manager—the prescribed assessment manager; and
      - (v) another person prescribed by regulation.
  - (3) A decision notice (a *negotiated decision notice*) that states the assessment manager agrees with a change representation must—
    - (a) state the nature of the change agreed to; and
    - (b) comply with section 63(2) and (3).
  - (4) A negotiated decision notice replaces the decision notice for the development application.
  - (5) Only 1 negotiated decision notice may be given.
  - (6) If a negotiated decision notice is given to an applicant, a local government may give a replacement infrastructure charges notice to the applicant.
