

Photo 1 – Location of Queen Palm between 46 & 44 Island Point Road

Palm is closer than 3m to the building structure at 46 Island Point Rd and Palm Fronds fall to the roof of 44 Island Point Rd (weighing approximately 30-50kg each when they fall)

Photo 2 - 44 Island Point Road Roof tiles – Broken and evidence of Palm Frond landed on roof

Palm Frond from 46 Island Point Road Queen Palm

Broken Tiles from Queen Palm Frond

Photo 3 – 44 Island Point Road – Broken Roof Tiles from Queen Palm Fronds
