Dear Mr. Beck,

We are submitting a proposal to add a one-car driveway to our Langley Road address. Attached is a DA-Form 1, before and after photographs and our plans for the additional driveway.

As we have begun our landscape improvements and have already made significant changes to the kerb appeal, in keeping with the high-end quality of this neighbourhood, we would like to add a driveway. This would allow us access from Langley Road. The home is built to face Langley Road and the entry stairs to the veranda are also on Langley Road, however our existing driveway is around the back of the property on Coral Drive. This current set up has lead us to park on Langley Road. We have noticed over the past few months, there has been an increase in cars parking on this end of Langley Road due to the development across the street. There are only two homes being inhabited in that development presently, with plans for many more, in a relatively small area. Most are being built with one or two car driveways. This will further increase on-road parking and create restricted access for refuse trucks and other services.

We fully intend to continue the beautification of our corner lot, as you can see from our first stage photographs. We will mirror the existing driveway of 19 Langley Road. They have done a similar job with landscaping as we plan to do. As you can see in our rough drawing, we will plant a hedge along the driveway and adjacent to the driveway we will plant two or more taller Red Lipstick Palms in an island to allow for privacy and kerb appeal. Finally, we will improve our front stairs as a focal point of the home.

As you can see, we have expended time and money on making our home something to be proud of. We would not request this additional driveway if we thought it would negatively impact the overall aesthetics of the home and the neighbourhood. We have had multiple compliments on the work we have completed in the very short time that we have lived here and plan to continue this process.

Thank your very much for your time and consideration with this matter.

Kind Regards,

Jonathan and Susan Marsden
