

DA Form 1 – Development application details

Approved form (version 1.1 effective 22 JUNE 2018) made under section 282 of the Planning Act 2016.

This form **must** be used to make a development application **involving code assessment or impact assessment**, except when applying for development involving building work.

For a development application involving **building work only**, use *DA Form 2 – Building work details*.

For a development application involving **building work associated with any other type of assessable development (i.e. material change of use, operational work or reconfiguring a lot)**, use this form (*DA Form 1*) and parts 4 to 6 of *DA Form 2 – Building work details*.

Unless stated otherwise, all parts of this form **must** be completed in full and all required supporting information **must** accompany the development application.

One or more additional pages may be attached as a schedule to this development application if there is insufficient space on the form to include all the necessary information.

This form and any other form relevant to the development application must be used to make a development application relating to strategic port land and Brisbane core port land under the *Transport Infrastructure Act 1994*, and airport land under the *Airport Assets (Restructuring and Disposal) Act 2008*. For the purpose of assessing a development application relating to strategic port land and Brisbane core port land, any reference to a planning scheme is taken to mean a land use plan for the strategic port land, Brisbane port land use plan for Brisbane core port land, or a land use plan for airport land.

Note: All terms used in this form have the meaning given under the *Planning Act 2016*, the *Planning Regulation 2017*, or the *Development Assessment Rules (DA Rules)*.

5) Are there any existing easements over the premises?

Note: Easement uses vary throughout Queensland and are to be identified correctly and accurately. For further information on easements and how they may affect the proposed development, see [DA Forms Guide](#).

- ☐ Yes – All easement locations, types and dimensions are included in plans submitted with this development application
- ☒ No

PART 3 – DEVELOPMENT DETAILS

Section 1 – Aspects of development

6.1) Provide details about the first development aspect

a) What is the type of development? *(tick only one box)*

- ☐ Material change of use ☐ Reconfiguring a lot ☒ Operational work ☐ Building work

b) What is the approval type? *(tick only one box)*

- ☒ Development permit ☐ Preliminary approval ☐ Preliminary approval that includes a variation approval

c) What is the level of assessment?

- ☒ Code assessment ☐ Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots):*

Removal of two large Melaleuca Trees from my property as noted and depicted in Approval OP2247/2017 (D#832788) (dated 31 October 2017), Site Plan in Schedule 1. In accordance with Assessment Manager Conditions attached with this application is current Building Permit for swimming pool in front yard which includes required amended plan showing (a) the detail and particular location of the swimming pool and associated fencing; (b) Landscaping in lieu of the removed significant trees having regard to the requirements for swimming pool fencing and overhead power lines connecting the house and all landscaping being on the land (impliedly satisfied by virtue of the Building Permit being issued).

e) Relevant plans

Note: *Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms guide: Relevant plans](#).*

- ☐ Relevant plans of the proposed development are attached to the development application

6.2) Provide details about the second development aspect

a) What is the type of development? *(tick only one box)*

- ☐ Material change of use ☐ Reconfiguring a lot ☐ Operational work ☐ Building work

b) What is the approval type? *(tick only one box)*

- ☐ Development permit ☐ Preliminary approval ☐ Preliminary approval that includes a variation approval

c) What is the level of assessment?

- ☐ Code assessment ☐ Impact assessment *(requires public notification)*

d) Provide a brief description of the proposal *(e.g. 6 unit apartment building defined as multi-unit dwelling, reconfiguration of 1 lot into 3 lots):*

e) Relevant plans

Note: Relevant plans are required to be submitted for all aspects of this development application. For further information, see [DA Forms Guide: Relevant plans](#).

☐ Relevant plans of the proposed development are attached to the development application

6.3) Additional aspects of development

☐ Additional aspects of development are relevant to this development application and the details for these aspects that would be required under Part 3 Section 1 of this form have been attached to this development application

☐ Not required

Section 2 – Further development details

7) Does the proposed development application involve any of the following?

Material change of use ☐ Yes – complete division 1 if assessable against a local planning instrument

Reconfiguring a lot ☐ Yes – complete division 2

Operational work ☒ Yes – complete division 3

Building work ☐ Yes – complete *DA Form 2 – Building work details*

Division 1 – Material change of use

Note: This division is only required to be completed if any part of the development application involves a material change of use assessable against a local planning instrument.

8.1) Describe the proposed material change of use

Provide a general description of the proposed use	Provide the planning scheme definition (include each definition in a new row)	Number of dwelling units (if applicable)	Gross floor area (m ²) (if applicable)

8.2) Does the proposed use involve the use of existing buildings on the premises?

☐ Yes

☐ No

Division 2 – Reconfiguring a lot

Note: This division is only required to be completed if any part of the development application involves reconfiguring a lot.

9.1) What is the total number of existing lots making up the premises?

9.2) What is the nature of the lot reconfiguration? (tick all applicable boxes)

☐ Subdivision (complete 10))

☐ Dividing land into parts by agreement (complete 11))

☐ Boundary realignment (complete 12))

☐ Creating or changing an easement giving access to a lot from a construction road (complete 13))

10) Subdivision

10.1) For this development, how many lots are being created and what is the intended use of those lots:

Intended use of lots created	Residential	Commercial	Industrial	Other, please specify:
Number of lots created				

10.2) Will the subdivision be staged?

☐ Yes – provide additional details below

☐ No

How many stages will the works include?	
What stage(s) will this development application apply to?	

11) Dividing land into parts by agreement – how many parts are being created and what is the intended use of the parts?				
Intended use of parts created	Residential	Commercial	Industrial	Other, please specify:
Number of parts created				

12) Boundary realignment			
12.1) What are the current and proposed areas for each lot comprising the premises?			
Current lot		Proposed lot	
Lot on plan description	Area (m ²)	Lot on plan description	Area (m ²)
12.2) What is the reason for the boundary realignment?			

13) What are the dimensions and nature of any existing easements being changed and/or any proposed easement? (attach schedule if there are more than two easements)				
Existing or proposed?	Width (m)	Length (m)	Purpose of the easement? (e.g. pedestrian access)	Identify the land/lot(s) benefitted by the easement

Division 3 – Operational work

Note: This division is only required to be completed if any part of the development application involves operational work.

14.1) What is the nature of the operational work?	
<input type="checkbox"/> Road work <input type="checkbox"/> Drainage work <input type="checkbox"/> Landscaping <input type="checkbox"/> Other – please specify:	<input type="checkbox"/> Stormwater <input type="checkbox"/> Earthworks <input type="checkbox"/> Signage <input type="checkbox"/> Water infrastructure <input type="checkbox"/> Sewage infrastructure <input checked="" type="checkbox"/> Clearing vegetation
14.2) Is the operational work necessary to facilitate the creation of new lots? (e.g. subdivision)	
<input type="checkbox"/> Yes – specify number of new lots:	
<input checked="" type="checkbox"/> No	
14.3) What is the monetary value of the proposed operational work? (include GST, materials and labour)	
\$	

PART 4 – ASSESSMENT MANAGER DETAILS

15) Identify the assessment manager(s) who will be assessing this development application

16) Has the local government agreed to apply a superseded planning scheme for this development application?

- ☐ Yes – a copy of the decision notice is attached to this development application
- ☐ Local government is taken to have agreed to the superseded planning scheme request – relevant documents attached
- ☒ No

PART 5 – REFERRAL DETAILS

17) Do any aspects of the proposed development require referral for any referral requirements?

Note: A development application will require referral if prescribed by the Planning Regulation 2017.

- ☒ No, there are no referral requirements relevant to any development aspects identified in this development application – proceed to Part 6

Matters requiring referral to the **Chief Executive of the Planning Regulation 2017:**

- 1 Work is not to commence until full engineering details, including the Form 15 Design Certificate, relating to the reinforced concrete swimming pool have been submitted to the building certifier.

STANDARD CONDITIONS

- 1 The works are to be constructed generally in accordance with the stamped approved plans that accompany this decision. These conditions of approval are to be read in conjunction with the stamped approved plans. Where a conflict occurs between the conditions of approval and the stamped approved plans, the conditions shall take precedence.
 - 2 All references made to the BUILDING CODE OF AUSTRALIA (BCA) within this approval are references to the version in force on the date the application was made.
 - 3 Building work approved on this building application has to be
 - (a) commenced within [6] months of approval or the approval will lapse, and
 - (b) finalised within [12] months of approval.
- PLEASE NOTE: A Compulsory inspection will be undertaken in [3] months from the date of this approval.
- 4 In order for GMA Certification Group to perform its statutory obligation under the Building Act 1975, an Inspection of the pool work will be required to be conducted at the earlier of the following, 6 months after the date of approval or 2 weeks prior to the development approval lapsing.
 - 5 BEFORE a person fills the pool with water to a depth of 300mm or more, the person MUST ensure -
 - a) the pool complies with the pool safety standard for the pool as per Section 232, Part 2 of the Building Act 1975 and;
 - b) a certificate in the approved form has been issued by the Building Certifier as per Section 236, Part 2 of the Building Act 1975
 - 6 Swimming pool fencing must comply with the Building Regulation 2006, Queensland Development Code MP3.4 and AS1926 - 2007 as amended by QDC.
NOTE: No direct access from the dwelling to the pool enclosure permitted.
 - 7 Where pool is located within 1.5m of the boundary a solid wall or fence (splash proof) must be constructed at 1.8 high min above the finished ground level and 1.0m min above the pool coping between the pool and the adjoining lot. Where the total height exceeds 2.0m above the natural ground level then a siting variation application/approval will be required from Council prior to any final certification.
 - 8 RESUSCITATION SIGN - The owner must ensure that a complying pool resuscitation sign is displayed at all times.
 - 9 WARNING SIGN - A complying warning sign must be displayed before construction commences and must be displayed until the Building Certifier has certified that the fencing complies.
 - 10 All references made to the Queensland Development Code within this approval are references to the version current at the time of the lodgement of the application.
 - 11 Retaining Walls - (If Applicable) Retaining walls over 1m high, or within 1.5m of any building works or another retaining wall and/or subject to surcharge loadings will require building approval along with Engineer's design and certification.
 - 12 No parts of any building works are to encroach closer to the existing sewer/ stormwater infrastructure than as shown on the approved plans.
Due to the possibility of inaccurate information in relation to existing infrastructure, it is the Builder/Applicants responsibility to ensure compliance is maintained by onsite confirmation. Where works are found not to comply then all works must cease until appropriate approvals are obtained. Evidence of compliance may be required prior to final certification

- 2 All works are approved on the basis of the disclosure of information to the Certifier provided by the Builder, Owner, Council or the like and including that no other existing buildings or structures are located within the current property boundaries and not, noted upon the application documents. It is the Builders / Applicants responsibility to notify the Certifier as soon as practically possible where other buildings or structures may be found to pre-exist within the property boundaries and have not been disclosed. Where applicable, re-assessment and further permits may be required prior to any works being commenced
- 3 Section 73 of the Building Act requires the applicant to ensure that one legible set of the current drawings for the building is, while the building work is being carried out, available for inspection by anyone who, under an Act, is entitled to inspect the relevant building site.
- 4 The builder is to take all necessary steps to ensure that the properties of the foundation soils providing support to or otherwise in contact with the structure do not exceed the design limitations specified in the structural engineering design
- 5 This Approval does not include the following: Tree removal, demolition of any type, or any other structures other than that detailed upon the stamped approved plans and noted for approval.

Appeal rights

The rights of an applicant to appeal to a tribunal or the Planning and Environment Court against a decision about a development application are set out in chapter 6, part 1 of the *Planning Act 2016*. For particular applications, there may also be a right to make an application for a declaration by a tribunal (see chapter 6, part 2 of the *Planning Act 2016*).

Appeal by an applicant

An applicant for a development application may appeal to the Planning and Environment Court against the following:

- the refusal of all or part of the development application
- a provision of the development approval
- the decision to give a preliminary approval when a development permit was applied for
- a deemed refusal of the development application.

An applicant may also have a right to appeal to the Development tribunal. For more information, see schedule 1 of the *Planning Act 2016*.

Appeal by a submitter

A submitter for a development application may appeal to the Planning and Environment Court against:

- any part of the development application for the development approval that required impact assessment
- a variation request.

The timeframes for starting an appeal in the Planning and Environment Court are set out in section 229 of the *Planning Act 2016*.

Attachment 2 is an extract from the *Planning Act 2016* that sets down the applicant's appeal rights and the appeal rights of a submitter.

APPEAL RIGHTS UNDER THE PLANNING ACT 2016

Chapter 6, Part 1, Section 229 Appeals to Tribunal or P & E Court

- (1) Schedule 1 states-
 - (a) matters that may be appealed to-
 - (i) either a tribunal or the P&E Court; or
 - (ii) only a tribunal; or
 - (iii) only the P&E Court; and
 - (b) the person-
 - (i) who may appeal a matter (the *appellant*); and
 - (ii) who is a respondent in an appeal of the matter; and
 - (iii) who is a co-respondent in an appeal of the matter; and
 - (iv) who may elect to be a co-respondent in an appeal of the matter.
- (2) An appellant may start an appeal within the appeal period.
- (3) The *appeal period* is-
 - (a) for an appeal by a building advisory agency-10 business days after a decision notice for the decision is given to the agency; or
 - (b) for an appeal against a deemed refusal-at any time after the deemed refusal happens; or
 - (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises-20 business days after a notice is published under section 269(3)(a) or (4); or
 - (d) for an appeal against an infrastructure charges notice-20 business days after the infrastructure charges notice is given to the person; or
 - (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given-30 business days after the applicant gives the deemed approval notice to the assessment manager; or
 - (f) for any other appeal-20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.
- (4) Each respondent and co-respondent for an appeal may be heard in the appeal.
- (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.

Schedule 1, Table 3 Appeals to a Tribunal only

1. Building advisory agency appeals. An appeal may be made against giving a development approval for building work to the extent the building work required code assessment against the building assessment provisions.
2. Inspection of building work. An appeal may be made against a decision of a building certifier or referral agency about the inspection of building work that is the subject of a building development approval under the Building Act.
3. Certain decisions under the Building Act and the Plumbing and Drainage Act
An appeal may be made against-
 - (a) a decision under the Building Act, other than a decision made by the Queensland Building and Construction Commission, if an information notice about the decision was given or required to be given under that Act; or
