#### Decision

Date of Decision:	18 November 2022
Decision Details:	Approved (subject to conditions)

# Approved Drawing(s) and/or Document(s)

Copies of the following plans, specifications and/or drawings are enclosed.

The term 'approved drawing(s) and/or document(s) or other similar expressions means:

Drawing or Document	Reference	Date
Proposed Land Subdivision	AusNorth Consultants DWG. No 22025/ROL/01Council Doc Id: 1114549	15/09/2022
Survey Plan	Survey Plan SP329444	16/05/2022

Lots 1 and 18	

# Assessment Manager Conditions & Advices

#### Conditions

- 1. Carry out the approved development generally in accordance with the approved drawing(s) and/or document(s), and in accordance with:
  - a. The specifications, facts and circumstances as set out in the application submitted to Council; and
  - b. The following conditions of approval and the requirements of Council's Planning Scheme and the FNQROC Development Manual.

Except where modified by these conditions of approval.

#### **Timing of Effect**

2. The conditions of the Development Permit must be effected prior to endorsement of the Survey Plan except otherwise nominated in these conditions of approval.

#### Drainage

3. Undertake a local drainage study on the subject land to determine drainage impacts on downstream properties and the mitigation measures required to minimise such impacts. In particular, the post-development discharge of stormwater from the subject site must have no-worsening effect on the drainage of upstream or downstream properties. The study must also identify the need and location of any drainage easements to convey stormwater to the lawful point of discharge. The drainage study must be RPEQ (Registered Professional Engineer of Queensland) certified. The drainage study must be endorsed by the Chief Executive Officer prior to endorsement of the Plan of Survey.

#### **Electricity and Telecommunications**

4. Written evidence of negotiations with Ergon Energy and the telecommunication authority must be submitted to Council stating that both an underground electricity supply and telecommunications service will be provided to the development prior to the endorsement of the Plan of Survey.

#### Existing Onsite Waste System.

5. The proposed common boundary between Lot 1 and Lot 18 must be setback 2000mm from the sub-surface or surface irrigation discharge from the onsite waste disposal on Lot 18.

# Location of Utilities.

6. The developer shall be responsible for confirming the location of all existing sewer, water and utility service infrastructure prior to the commencement of works on site. Any permits necessary to alter/interfere with such services must be obtained prior to the commencement of work and be available for Council inspection if required.

#### Advices

- 1. This approval, granted under the provisions of the *Planning Act 2016*, shall lapse four (4) years from the day the approval takes effect in accordance with the provisions of Section 85 of the *Planning Act 2016*.
- 2. All building site managers must take all action necessary to ensure building materials and/or machinery on construction sites are secured immediately following the first

potential cyclone warning and that relevant emergency telephone contacts are provided to Council officers, prior to commencement of works.

# Water Supply Connection

3. Water connection to the proposed Lot 1 is the future lot owner's responsibility and can be achieved through a plumbing application for a water connection. It is recommended that the location of the connection should have regard to the provision of other services to the land and the need of the new development thereon. The location of the water meter for proposed Lot 1 will be required to be located adjacent to the road boundary.

#### Storm Tide Inundation Study and Required Construction Levels

4. Proposed Lot 1 remains affected by the Flood and Storm Tide Inundation Overlay and the development of a house on the lot is subject to the Overlay and consideration of appropriate finished floor height can be addressed at a later date through a request for an exemption certificate or alternatively through a development permit.

#### **Other Requirements**

- 5. This approval does not negate the requirement for compliance with all relevant Local Laws and statutory requirements.
- 6. For information relating to the *Planning Act 2016*, log on to <u>www.dsdmip.qld.gov.au</u>. To access the FNQROC Development Manual, Local Laws and other applicable Policies and studies log on to <u>www.douglas.qld.gov.au</u>.

# **Further Development Permits**

Not applicable

# **Currency Period for the Approval**

This approval, granted under the provisions of the *Planning Act 2016*, shall lapse four (4) years from the day the approval takes effect in accordance with the provisions of Section 85 of the *Planning Act 2016*.

#### Rights to make Representations & Rights of Appeal

The rights of applicants to make representations and rights to appeal to a Tribunal or the Planning and Environment Court against decisions about a development application are set out in Chapter 6, Part 1 of the *Planning Act 2016*.

A copy of the relevant appeal provisions are attached.

## **Reasons for Decision**

- 1. The reasons for this decision are:
  - a. Sections 60, 62 and 63 of the *Planning Act 2016*:
  - b. to ensure the development satisfies the benchmarks of the 2018 Douglas Shire Planning Scheme Version 1.0; and
  - c. to ensure compliance with the *Planning Act 2016*.
- 2. Findings on material questions of fact:
  - a. the development application was properly lodged to the Douglas Shire Council 05/10/2022 under section 51 of the *Planning Act 2016* and Part 1 of the *Development Assessment Rules*;
  - b. the development application contained information from the applicant which Council reviewed together with Council's own assessment against the 2017 State Planning Policy and the 2018 Douglas Shire Planning Scheme Version 1.0 in making its assessment manager decision.
- 3. Evidence or other material on which findings were based:
  - a. the development triggered assessable development under the Assessment Table associated with the Rural Residential Zone Code;
  - b. Council undertook an assessment in accordance with the provisions of sections 60, 62 and 63 of the *Planning Act 2016*; and
  - c. the applicant's reasons have been considered and the following findings are made:
    - i. Subject to conditions, the development satisfactorily meets the Planning Scheme benchmarks.

		(d)	as if the reference in section 76(3)(b) to section 63(2 and (3) were a reference to section 83(4); and
		(e)	with any other necessary changes.
75	Ma	king c	hange representations
	(1)	<i>repre</i> applie	applicant may make representations ( <i>changesentations</i> ) to the assessment manager, during the cant's appeal period for the development approval, about ging—
		(a)	a matter in the development approval, other than-
			<li>(i) a matter stated because of a referral agency's response; or</li>

- (ii) a development condition imposed under a direction made by the Minister under chapter 3, part 6, division 2; or
- (b) if the development approval is a deemed approval—the standard conditions taken to be included in the deemed approval under section 64(8)(c).
- (2) If the applicant needs more time to make the change representations, the applicant may, during the applicant's appeal period for the approval, suspend the appeal period by a notice given to the assessment manager.
- (3) Only 1 notice may be given.
- (4) If a notice is given, the appeal period is suspended-
  - (a) if the change representations are not made within a period of 20 business days after the notice is given to the assessment manager—until the end of that period; or
  - (b) if the change representations are made within 20 business days after the notice is given to the assessment manager, until—
    - the applicant withdraws the notice, by giving another notice to the assessment manager; or
    - the applicant receives notice that the assessment manager does not agree with the change representations; or
    - (iii) the end of 20 business days after the change representations are made, or a longer period agreed in writing between the applicant and the assessment manager.
- (5) However, if the assessment manager gives the applicant a negotiated decision notice, the appeal period starts again on the day after the negotiated decision notice is given.

# 76 Deciding change representations

(1) The assessment manager must assess the change representations against and having regard to the matters that

Current as at 10 June 2022

[s 76]

must be considered when assessing a development application, to the extent those matters are relevant.

- (2) The assessment manager must, within 5 business days after deciding the change representations, give a decision notice to—
  - (a) the applicant; and
  - (b) if the assessment manager agrees with any of the change representations—
    - (i) each principal submitter; and
    - (ii) each referral agency; and
    - (iii) if the assessment manager is not a local government and the development is in a local government area—the relevant local government; and
    - (iv) if the assessment manager is a chosen assessment manager—the prescribed assessment manager; and
    - (v) another person prescribed by regulation.
- (3) A decision notice (a negotiated decision notice) that states the assessment manager agrees with a change representation must—
  - (a) state the nature of the change agreed to; and
  - (b) comply with section 63(2) and (3).
- (4) A negotiated decision notice replaces the decision notice for the development application.
- (5) Only 1 negotiated decision notice may be given.
- (6) If a negotiated decision notice is given to an applicant, a local government may give a replacement infrastructure charges notice to the applicant.

- (f) for an appeal relating to the *Plumbing and Drainage Act* 2018—
  - (i) for an appeal against an enforcement notice given because of a belief mentioned in the *Plumbing and Drainage Act 2018*, section 143(2)(a)(i), (b) or (c)-5 business days after the day the notice is given; or
  - (ii) for an appeal against a decision of a local government or an inspector to give an action notice under the *Plumbing and Drainage Act 2018*—5 business days after the notice is given; or
  - (iii) for an appeal against a failure to make a decision about an application or other matter under the *Plumbing and Drainage Act 2018*—at anytime after the period within which the application or matter was required to be decided ends; or
  - (iv) otherwise—20 business days after the day the notice is given; or
- (g) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.

Note-

See the P&E Court Act for the court's power to extend the appeal period.

(4) Each respondent and co-respondent for an appeal may be heard in the appeal.

Page 214

Current as at 10 June 2022

- (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.
- (6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about—
  - (a) the adopted charge itself; or
  - (b) for a decision about an offset or refund-
    - (i) the establishment cost of trunk infrastructure identified in a LGIP; or
    - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

#### 230 Notice of appeal

- An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that—
  - (a) is in the approved form; and
  - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar, must, within the service period, give a copy of the notice of appeal to—
  - (a) the respondent for the appeal; and
  - (b) each co-respondent for the appeal; and
  - (c) for an appeal about a development application under schedule 1, section 1, table 1, item 1—each principal submitter for the application whose submission has not been withdrawn; and
  - (d) for an appeal about a change application under schedule 1, section 1, table 1, item 2—each principal submitter for the application whose submission has not been withdrawn; and

	<ul> <li>(e) each person who may elect to be a co-respondent for the appeal other than an eligible submitter for a development application or change application the subject of the appeal; and</li> </ul>				
	(f) for an appeal to the P&E Court-the chief executive and				
	(g) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.				
(4)	The service period is—				
	<ul> <li>(a) if a submitter or advice agency started the appeal in the P&amp;E Court—2 business days after the appeal is started or</li> </ul>				
	(b) otherwise—10 business days after the appeal is started.				
(5)	A notice of appeal given to a person who may elect to b co-respondent must state the effect of subsection (6).				
(6)	A person elects to be a co-respondent to an appeal by filing a notice of election in the approved form—				
	<ul> <li>(a) if a copy of the notice of appeal is given to the person—within 10 business days after the copy is given to the person; or</li> </ul>				
	(b) otherwise—within 15 business days after the notice of appeal is lodged with the registrar of the tribunal or the P&E Court.				
(7)	Despite any other Act or rules of court to the contrary, a copy of a notice of appeal may be given to the chief executive by emailing the copy to the chief executive at the email address stated on the department's website for this purpose.				
231 No	on-appealable decisions and matters				
(1)	Subject to this chapter, section 316(2), schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.				

- (2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the *Judicial Review Act 1991* in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section—

decision includes-

- (a) conduct engaged in for the purpose of making a decision; and
- (b) other conduct that relates to the making of a decision; and
- (c) the making of a decision or the failure to make a decision; and
- (d) a purported decision; and
- (e) a deemed refusal.

non-appealable, for a decision or matter, means the decision or matter-

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the *Judicial Review Act 1991* or otherwise, whether by the Supreme Court, another court, any tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, any tribunal or another entity on any ground.

# 232 Rules of the P&E Court

- A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

Planning Act 2016 Chapter 4 Infrastructure

[s 124]

# Subdivision 5 Changing charges during relevant appeal period

## 124 Application of this subdivision

This subdivision applies to the recipient of an infrastructure charges notice given by a local government.

#### 125 Representations about infrastructure charges notice

- During the appeal period for the infrastructure charges notice, the recipient may make representations to the local government about the infrastructure charges notice.
- (2) The local government must consider the representations.
- (3) If the local government-
  - (a) agrees with a representation; and
  - (b) decides to change the infrastructure charges notice;

the local government must, within 10 business days after making the decision, give a new infrastructure charges notice (a *negotiated notice*) to the recipient.

- (4) The local government may give only 1 negotiated notice.
- (5) A negotiated notice-
  - (a) must be in the same form as the infrastructure charges notice; and
  - (b) must state the nature of the changes; and
  - (c) replaces the infrastructure charges notice.
- (6) If the local government does not agree with any of the representations, the local government must, within 10 business days after making the decision, give a decision notice about the decision to the recipient.
- (7) The appeal period for the infrastructure charges notice starts again when the local government gives the decision notice to the recipient.

Current as at 10 June 2022

Page 141

Planning Act 2016 Chapter 4 Infrastructure

[s 126]

## 126 Suspending relevant appeal period

- If the recipient needs more time to make representations, the recipient may give a notice suspending the relevant appeal period to the local government.
- (2) The recipient may give only 1 notice.
- (3) If the representations are not made within 20 business days after the notice is given, the balance of the relevant appeal period restarts.
- (4) If representations are made within the 20 business days and the recipient gives the local government a notice withdrawing the notice of suspension, the balance of the relevant appeal period restarts the day after the local government receives the notice of withdrawal.

# Division 3 Development approval conditions about trunk infrastructure

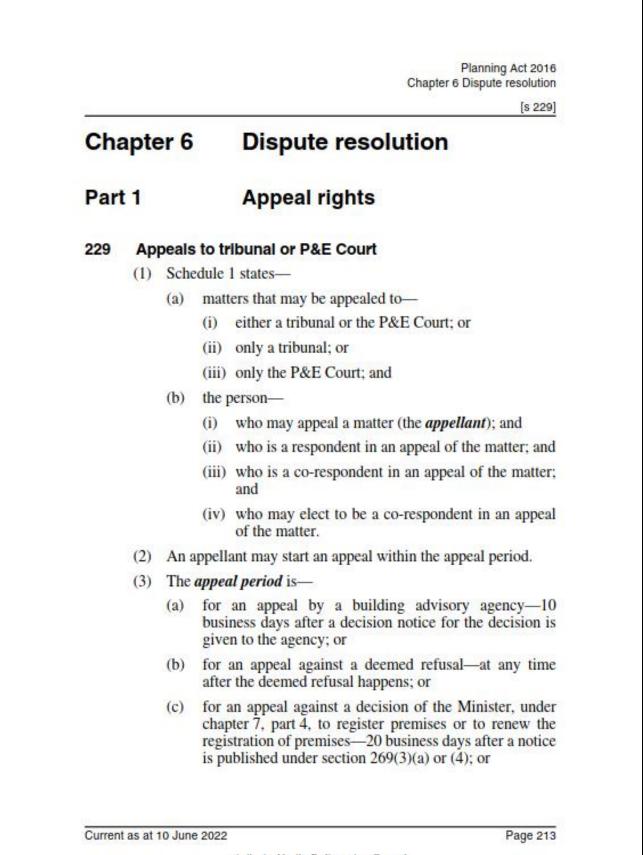

# Subdivision 1 Conditions for necessary trunk infrastructure

# 127 Application and operation of subdivision

- (1) This subdivision applies if-
  - (a) trunk infrastructure-
    - (i) has not been provided; or
    - (ii) has been provided but is not adequate; and
  - (b) the trunk infrastructure is or will be located on-
    - premises (the subject premises) that are the subject of a development application, whether or not the infrastructure is necessary to service the subject premises; or
    - (ii) other premises, but is necessary to service the subject premises.

- (2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the *Judicial Review Act 1991* in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section—

decision includes-

- (a) conduct engaged in for the purpose of making a decision; and
- (b) other conduct that relates to the making of a decision; and
- (c) the making of a decision or the failure to make a decision; and
- (d) a purported decision; and
- (e) a deemed refusal.

non-appealable, for a decision or matter, means the decision or matter-

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the *Judicial Review Act 1991* or otherwise, whether by the Supreme Court, another court, any tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, any tribunal or another entity on any ground.

# 232 Rules of the P&E Court

- A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.
