Good afternoon Council,

As a resident of Wonga Beach, I would like to give my support for the proposed development at 18 Oasis Drive.

Wonga Beach would benefit from the employment opportunities this development would bring along with the boost in revenue that the added tourism would bring to local business.

Also Wonga Beach currently only has a servo, with vacant commercial units adjacent, an increase in tourism would present further opportunity to add amenity to the town with other small business looking to capitalize.

This development could create a positive fly wheel affect on the local and surrounding area

Regards
