Good afternoon Council,

As a local resident and buisness owner residing in Wonga Beach i would like to give my support for the development at 18 Oasis Drive.

[REDACTED]

Such a development will bring welcom tourism buisnesses to the town, being a Builder myself, i bought this land a couple of years ago with plans to build a small cafe, restaurant or tourist accomidation.

Wonga Beach could have so mutch more amenity and a development like this would encourage small local buisness to thrive.

Regards
