Message Body:
The new proposed development site at 18 Oasis Drive, Wonga Beach.

My question is why is the access via Oasis Drive and not Marlin Drive.
Oasis Drive is the long way around and is used by school children twice a day and the public alike. They also have to navigate Wonga Beach Rd with the extra traffic.
The amount of extra traffic will increase the risk of pedestrian / traffic interaction.
The alternate route from Mossman Daintree Rd and onto Marlin Drive straight down into the said resort would decrease the risk of pedestrian interaction. This route would also be an easier route to find and be far quicker to enter and exit the said resort.
Thanks in advance.
