Subject: Support for CA2025_5878/1 development proposal

To: Douglas Shire Council

**Re: Submission in Support of Proposed Development – 18 Oasis Drive, Wonga Beach
(Application Reference: CA 2025_5878/1)**

I wish to lodge my support for the proposed development at 18 Oasis Drive, Wonga Beach.

I believe this development presents an exciting opportunity for Wonga Beach and the wider Douglas Shire community. The proposal has the potential to deliver significant economic and social benefits, including increased tourism, employment opportunities during both the construction and operational phases, and greater investment in the local area.

The inclusion of tourist accommodation, recreational facilities, food and beverage outlets, and community-focused amenities will enhance the range of services and experiences available within the region. Developments such as this can help attract visitors to Wonga Beach, encouraging longer stays and increased spending at existing local businesses, while further strengthening the local tourism industry.

Importantly, the proposal appears to have been designed with consideration for the surrounding environment and landscape, incorporating substantial green spaces and a low-rise built form that complements the natural character of the area. Sensitive and well-planned developments are essential to ensuring the ongoing sustainability and prosperity of our community.

As a local family, we are excited to see investment in Wonga Beach that will create employment opportunities for young people and contribute to the long-term growth and viability of our community.

I respectfully encourage Douglas Shire Council to give favourable consideration to this application.

Thank you for the opportunity to provide feedback.

Yours sincerely,
