Subject:

Submission regarding proposed development at 18 Oasis Drive Wonga Beach.
Application reference: CA 2025_5878/1

Good Morning,

I would like to register a major concern regarding the proposed development at Wonga Beach.

Details as below:

Proposed development at 18 Oasis Drive Wonga Beach.

Application reference:

CA 2025_5878/1

Concern:

We live in [REDACTED] Wonga Beach and have MAJOR concerns regarding the planned access to this new resort. We would like to FIRMLY register our objection to any entry, exit or any access at all, being allowed to utilise Marlin Drive.

A new access must be established from the main road in front of the proposed resort, so that any residential areas can be allowed to maintain their current acceptable state of privacy and noise level.

I am sure that you have already had many residents along Marlin Drive who have expressed concerns about this matter.

Please carefully consider our legitimate concerns regarding the issue of access to this proposed development.

Yours sincerely,
