Att: No to units or dual duplexes.

Dear Assessment Manager @ Douglas Shire Council,

When we moved here [REDACTED], then again in [REDACTED] we were told there would be no units, dual occupancy or duplexes built on Endeavour St, Reef Park. PortD.

Due to the fact that it's a quiet, safe family st as everyone moved here for the Primary school & older generations for the churches. Having more traffic south end of the street closer to the pedestrian & schools is not for community but for money makers.

Over many years this area has housed Egrets, Ibis' & curlews.

We live here for the natural environment & we are custodians.

New homes should also be made not only Cat. 5 cyclone code but own resources like own water tanks & replant native trees for our wildlife not more concrete.

Thank you for your time.

Yours faithfully,

[REDACTED]
