Dear Ms Henderson,

Re: **REQUEST FOR EXTENSION OF DEVELOPMENT PERIOD -
19 DALEY ROAD KIMBERELY 4873 (LOT 19 ON RP740684)**

Pursuant to section 383 of the *Sustainable Planning Act 2009* ('the Act') we request an extension of the development period in relation to:

Decision Notice dated 1 June 2010 - Cairns Regional Council

Please find **enclosed**:

1. Correspondence to Department of Natural Resources and Mines (referral agency), pursuant to section 383(1)(a) of the Act.
2. Money Order for \$277.00.

For the purposes of section 388 of the Act, we note that our development application was assessed against the Douglas Shire Planning Scheme and the FNQ Regional Plan and that the Decision Notice provides that there was 'no conflict' with any applicable codes, planning scheme, State planning policies or priority infrastructure plan.

We acknowledge that, to the extent there may have been minor changes to applicable laws and policies since the time of the approval, Council may seek minor changes to the approval conditions so as to ensure that the approval is consistent with current laws and policies.

Please do not hesitate to contact us should you require any further information in relation to our request.

Yours faithfully

Shaune Williams & Tanjil Whitnell
