**PLANNING DEPARTMENT:** Requesting Permissible Change Ref: 8/7/2774

Dear Sir,

I wish to seek permission to amend current application (Ref: 8/7/2774) to construct an auxiliary shed at Lot 33 Buchanan Creek Road Cow Bay.

**Reason for request:**

1. Materials have been stolen from the property (form work, reinforcement steel, blueline water piping)
2. Access to a lockable dwelling for contractors tools, building resources including materials and construction vehicles.
3. Covered vehicle/boat parking was overlooked on original house plans.

**Please see attached:**

- Site map with proposed location (1a)
- Auxiliary shed elevations (Nil fixtures) (1b)

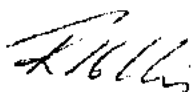

**Consideration:**

- Existing cleared location
- Same colour scheme as approved house (Roofing **Colorbond Dune**, Walls **Colorbond Dune**, Roller doors & gutters/flushing **Colorbond Ironstone**)

As discussed with Planning Officer Neil Peck, payment of \$287.00 is enclosed as a money order payable to the Douglas Shire Council.

Thanks in advanced for considering this amendment.

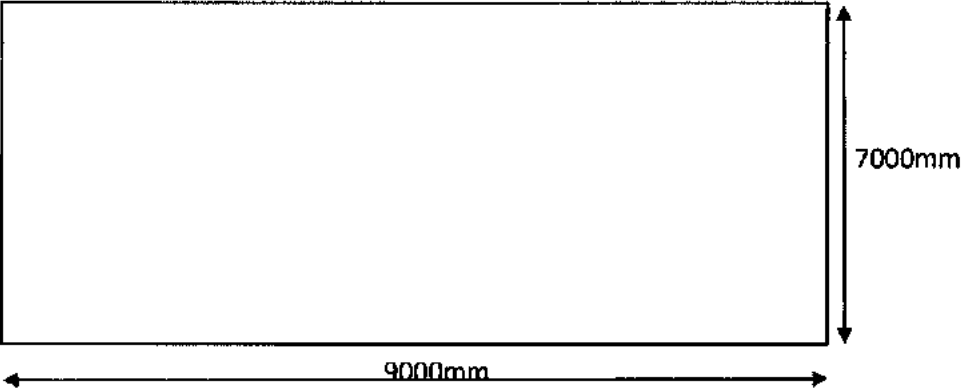

Regards,

Rae-ann Hollis
